Services	Cost Sharing and Office Visit Maximums
Chiropractic Services are covered when a Participating Chiropractor finds that the services are medically necessary to treat or diagnose Neuromusculoskeletal Disorders. You can obtain services from any ASH Plans Participating Chiropractor without a referral from a Plan physician.	<p>Office visit cost share: \$10 copay per visit</p> <p>Office visit limit: 30 visits per calendar year</p> <p>Chiropractic appliance benefit: If the amount of the appliance in the ASH Plans fee schedule exceeds \$50, you will pay the amount in excess of \$50, and that payment will not apply toward any applicable deductible or annual out-of-pocket maximum.</p> <p>Covered chiropractic appliances are limited to: elbow supports, back supports, cervical collars, cervical pillows, heel lifts, hot or cold packs, lumbar braces and supports, lumbar cushions, orthotics, wrist supports, rib belts, home traction units, ankle braces, knee braces, rib supports, and wrist braces.</p>

Office visits: Each office visit counts toward the calendar year visit limit even if an adjustment is not provided during the visit.

X-rays and laboratory tests: Medically necessary X-rays and laboratory tests are covered at no charge when prescribed as part of your chiropractic care by a Participating Chiropractor and provided by an appropriately licensed Participating Provider that has contracted with ASH Plans to provide those services.

Participating Chiropractors

ASH Plans contracts with Participating Chiropractors and other Participating Providers to provide covered Chiropractic Services, including laboratory tests, X-rays, and chiropractic appliances. You must receive covered services from a Participating Provider, except for Emergency Chiropractic Services and services that are not available from Participating Providers that are authorized in advance by ASH Plans. The list of Participating Chiropractors is available on the ASH Plans website at ashcompanies.com/kp or by calling the ASH Plans Member Services Department toll free at **1-800-678-9133** (TTY users call **711**), weekdays from 5 a.m. to 6 p.m. The list of Participating Chiropractors is subject to change at any time without notice.

How to obtain services: To obtain covered services, call a Participating Chiropractor to schedule an initial examination. If additional services are required, your Participating Chiropractor will prepare a Treatment Plan. The ASH Plans Clinical Services Manager will authorize the Treatment Plan for you, as described under "Decision time frames" in the *Chiropractic Services Amendment*, if the services are covered and the services are Medically Necessary Chiropractic Services. For more information about how to obtain covered Chiropractic Services, please refer to the *Chiropractic Services Amendment* of your Health Plan Evidence of Coverage.

Emergency Chiropractic Services

Covered Chiropractic Services are provided for the treatment of a Neuromusculoskeletal Disorder which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a reasonable person could expect the absence of immediate Chiropractic Services to result in serious jeopardy to your health or body functions or organs. We cover Emergency Chiropractic Services provided by both Participating Chiropractors and Non-Participating Chiropractors. We do not cover follow-up or continuing care from a Non-Participating Chiropractor unless ASH Plans has authorized the services in advance. Also, we do not cover services from a Non-Participating Chiropractor that ASH Plans determines are not Emergency Chiropractic Services.

Second Opinions

If you request a second opinion, it will be provided to you by a Participating Chiropractor who is an appropriately qualified chiropractor (a chiropractor who is acting within his or her scope of practice and who possesses a clinical background related to the illness or condition associated with the request for a second opinion). To get a second opinion, make an appointment with a Participating Chiropractor.

Your Costs

When you receive covered services, you must pay your Cost Sharing amount as described in the *Chiropractic Services Amendment* of your Health Plan *Evidence of Coverage*. The Cost Sharing does not apply toward the annual out-of-pocket maximum described in the Health Plan *Evidence of Coverage*.

If you have a question or concern regarding the services you received from an ASH Plans Participating Provider, you may call ASH Plans Member Services toll free at **1-800-678-9133** (TTY users call **711**), weekdays from 5 a.m. to 6 p.m., or write ASH Plans at:
