

Strategies for Success - 2019-2020 - Mrs. Eslinger - room 517

Strategies for Success is a class that will help students grow academically by learning organization and study skills. Throughout the course of the year, I will provide activities focused on building students skill levels, critical thinking abilities and overall achievement.

Curriculum

- AVID Curriculum (Advancement Via Individual Determination)
- FastForward Reading program
- I also use supplementary materials to enhance student engagement
- Core Curriculum: We will work on homework from other classes

Discipline

- The discipline policy is progressive in nature and is always geared toward a behavior change.
- It can involve everything from a discussion, to moving seating, to sending student to another room, to lunch detention, to communication home, to demerits, to a referral to the office.
- The school discipline which is "Boystown" will also be followed.

Grading

- The grading program is PowerSchool
- My grading policy consists of:
- Classwork - most assignments are worth 10 points for completed and correct work and less for partially completed work or zeros for work not turned in.
- I will input grades to PowerSchool weekly

Communication:

- If you have any questions, the fastest and best way to reach me is by email: **g.eslinger@westside.k12.ca.us**
- Phone is **722-9993 ext. 75520**
