Good Afternoon Joe Walker Families,

This is Steve Wood, Principal of Joe Walker Middle School, with a very important announcement regarding Joe Walker's return to school next week. Our records indicate that you have chosen for your child to return to "in person" hybrid instruction starting the week of April 12th. A detailed "Return to School Parent Guide" was emailed this afternoon and is also available on the front page of our website. It's imperative that you check your email today and review the document carefully. If you do not receive this email, please visit our website to view the Parent Guide, www.westside.k12.ca.us/jw. The Parent Guide should answer all of your questions regarding the registration and use of the daily SafeScreener, where to drop-off and pick-up your child, and what protocols students must follow while on campus. Additionally, the Parent Guide contains a school map with all room numbers and teacher names to help your child locate their classrooms next week. Please be sure to take the time this week to register your child for the SafeScreener program, as all students are required to participate in a daily screener and temperature check each day of attendance on campus. Step by step instructions are contained in the Parent Guide, along with an informational flyer, and short video explaining the process. Lastly, please remember that Team 1 students will report to school on Monday and Tuesday, while Team 2 students will report to school on Wednesday and Thursday. Have a great rest of the week.

Sincerely,

Steve Wood

Principal
