Quartz Hill, CA 93536
(661) 943-3258

Steve Wood, Principal
Felicia Goldovsky, Vice Principal
Dora Navarro-Duenas, Counselor

November 6, 2020

Good Afternoon Parents,

Don't forget... there's no school on Wednesday, November 11 in observance of Veteran's Day. Therefore, we will be following an alternative schedule for next week. Monday and Tuesday will be regular school days following our normal schedule. However, Thursday will be an ODD block day and Friday will be an EVEN block minimum day, which gives us two odd block days and two even block days. Please be sure to download the schedule directly from Joe Walker's website, or view the attachment in the email accompanying this dialer message.

I wanted to remind you that there are a couple ways to stay connected with everything taking place at Joe Walker and within the school district as a whole. First, did you know that Joe Walker PTA has a Facebook page? Just click on the Facebook button on the Joe Walker website, or follow the link attached to the email accompanying this phone dialer. Second, be sure to stay connected by checking Superintendent, Regina Rossall's blog notifications. The most recent blog was just uploaded a couple days ago. You can find it on the Westside Union School District homepage, or click on the link within the email accompanying this message.

The last piece of information I wanted to share with parents is regarding the Los Angeles County Department of Public Health. The LACDPH is hosting a virtual town hall event on Monday, November 9 from 6:00-7:00 pm to discuss steps being taken to protect children returning back to school, the reopening process, school waivers, and more. You can download the flyer directly from our website, or view the attachment within the email accompanying this phone message.

Have a great weekend!!!

Steve Wood

Principal
