

# Mrs. McGovern

## About Me

Hello!

I am the 7<sup>th</sup> grade resource teacher. This year I will be going into your student's general education core classes to observe and assist in the classroom. Assistance can include: on task reminders, help with questions, redirection, small group instruction, and/or re-teaching lessons. I am also the case manager for your student's IEP. I will be contacting you to set up IEP dates, consult about academic/behavior issues, or any other concerns you may have. Please contact me with any IEP questions that may arise.

# Meet Mrs. McGovern

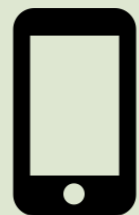

## Welcome to 7th grade Advisory

Your child will be attending advisory in my classroom, 514. This classroom is equipped with computers for student use. During advisory, students may work on homework they did not understand at home, silent reading, and sometimes re-teaching lessons. Your student should bring a reading book to school each day in case they finish their work early. Advisory is 43 minutes Tues-Fri and 5 minutes on Monday.
