7/6/20

Hello families, this is Hillview Middle School calling.

A list of answers to Frequently Asked Questions was posted on the District's website over the weekend. This list will answer many of the questions asked by parents about the options available for students and parents as we begin to plan returning to school on August 5, 2020. You can reach that page at www.westside.k12.ca.us.

Today in the Enrollment section of the website, <https://westside.k12.ca.us/enrollmentoptions>, you will find a form to complete if your learning option for your child will be either of the full time distance learning selections or sadly, if you do not plan for your child to return to Westside Union School District for the next school year. You have until July 16, 2020, at 3:30 p.m. to complete and return the form.

If you plan for your child to return to his/her school of attendance last year, or to a new school for the 2020-2021 school year (or a middle school program as a result of promotion) and participate in the hybrid learning option of 2 days in face-to-face instruction, and 3 days of distance learning with the classroom teacher, you will not need to complete any paperwork.

If your child is new to the District or received notice of a transfer being granted and have completed your registration already, you do not need to complete any additional paperwork unless you have determined you now want to participate in a full time distance learning program.

If you plan to apply for a transfer to Leona Valley School, complete an intra-district transfer form and submit it online no later than July 16, 2020 by 3:30 p.m.

If you have any further questions that weren't answered on the Frequently Asked Questions, please feel free to call the District Office at 722-0716 and follow the prompts to Enrollment.

Again, thanks for your support and understanding throughout these unprecedented and unpredictable times.

Thank you, and have a great week!

Rodney Lots and Jennifer Slater-Sanchez
