March 12, 2021

Good Afternoon Joe Walker Parents,

I can't believe that we are nearly finished with 3 quarters of the school year. It's hard to believe that Spring Break is right around the corner and that we have been in distance learning for an entire year. Thank you for your dedication and support of Joe Walker Middle School, the amazing staff who works so hard to provide the rigorous instruction that your children deserve, and most of all your wonderful, hard-working, and adaptable children.

When we return from Spring Break we will begin mandatory state testing in Math, English Language Arts, and Science (8th grade only). Your child is required to use the district provided Chromebook to complete all state testing as personal devices do not contain the secure browser needed to participate in state testing. Therefore, if your child is using a personal Chromebook or other personal device to access school each day, please have them start using their school issued Chromebook to test that it is in working order, and that your child is able to use it without any trouble. If your school issued Chromebook is not in working order, please contact the school office between 7:00 am – 3:30 pm this next week to receive tech support.

Please be aware that we have an alternative schedule for the week of March 15-19, 2021, since we have an additional minimum day on Thursday. Be sure to view the schedule in your child's google classroom, on our website, or attached to this message.

Quarter 3 grades are locking this next week as we prepare to mail progress reports, NWEA Spring test results, and D and F letters at the end of next week. You will receive these items in the mail the week of March 22-26, 2021, so be on the lookout while on Spring Break.

Don't forget that Daylight Savings Time starts this weekend with clocks moving forward one hour on Sunday, March 14, 2021 at 2:00 am.

Have a great weekend,

Steve Wood
Principal

SCHEDULE FOR THE WEEK OF MARCH 15-19, 2021
