Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at WUSD District Office's office.

Safety Plan Vision

The Westside Union School District is committed to providing a safe, secure, caring, and respectful learning environments where all community stakeholders work together to promote each student's academic, social and emotional growth and success.

(A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)

Child abuse or neglect includes the following: (Penal Code 11165.5, 11165.6)

1. A physical injury or death inflicted by other than accidental means on a child by another person

3. Neglect of a child as defined in Penal Code 11165.2
4. Willful harming or injuring of a child or the endangering of the person or health of a child as defined in Penal Code 11165.3
5. Unlawful corporal punishment or injury as defined in Penal Code 11165.4

(cf. 4119.21/4219.21/4319.21 - Professional Standards)

(cf. 5145.7 - Sexual Harassment)

Child abuse or neglect does not include:

1. A mutual affray between minors (Penal Code 11165.6)
2. An injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment (Penal Code 11165.6)

(cf. 3515.3 - District Police/Security Department)

3. An injury resulting from the exercise by a teacher, vice principal, principal, or other certificated employee of the same degree of physical control over a student that a parent/guardian would be privileged to exercise, not exceeding the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of students, or maintain proper and appropriate conditions conducive to learning (Education Code 44807)
4. An injury caused by a school employee's use of force that is reasonable and necessary to quell a disturbance threatening physical injury to persons or damage to property, to protect himself/herself, or to obtain weapons or other dangerous objects within the control of a student (Education Code 49001)

(Penal Code 11165.7)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred, nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11166.05, 11167)

3. Internal Reporting

The mandated reporter shall not be required to disclose his/her identity to his/her supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Training

Within the first six weeks of each school year, the Superintendent or designee shall provide training on mandated reporting requirements to district employees and persons working on their behalf who are mandated reporters. Any school personnel hired

The training shall include, but not necessarily be limited to, training in identification and reporting of child abuse and neglect. In addition, the training shall include information that failure to report an incident of known or reasonably suspected child abuse or neglect as required by law is a misdemeanor punishable by imprisonment and/or a fine as specified. (Education Code 44691; Penal Code 11165.7)

The Superintendent or designee shall obtain and retain proof of each mandated reporter's completion of the training. (Education Code 44691)

In addition, at least once every three years, school personnel may receive training in the prevention of child abuse, including sexual abuse, on school grounds, by school personnel, or in school-sponsored programs. (Education Code 44691)

Victim Interviews by Social Services

Whenever the Department of Social Services or another government agency is investigating suspected child abuse or neglect that occurred within the child's home or out-of-home care facility, the student may be interviewed by an agency representative during school hours, on school premises. The Superintendent or designee shall give the student the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the student. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. (Education Code 48906)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Parent/Guardian Complaints

Upon request, the Superintendent or designee shall provide parents/guardians with procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures

shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

(cf. 1312.1 - Complaints Concerning District Employees)

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

(cf. 1312.3 - Uniform Complaint Procedures)

Notifications

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The district also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Before beginning employment, any person who will be a mandated reporter by virtue of his/her position shall sign a statement indicating that he/she has knowledge of the reporting obligations under Penal Code 11166 and will comply with those provisions. The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his/her professional capacity or outside the scope of his/her employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to timely report an incident of known or reasonably suspected child abuse or neglect, he/she may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166)
3. No employee shall be subject to any sanction by the district for making a report unless it can be shown that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11166)

When removing a student from his/her class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. A student removed from class shall not be returned to class during the period of removal without the approval of the teacher of the class and the principal. (Education Code 48910)

A student removed from class shall not be placed in another regular class during the period of removal. However, if a student is assigned to more than one class per day, he/she may be placed in any other regular classes except those held at the same time as the class from which the student was removed. (Education Code 48910)

The teacher of any class from which a student is removed may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Pursuant to Board policy, a teacher may require the parent/guardian of a student whom the teacher has removed to attend a portion of a school day in his/her child's classroom. Suspension by Superintendent, Principal, or Designee

The Superintendent, principal, or designee may suspend a student for any of the acts listed in "Grounds for Suspension and Expulsion" above. A student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct in the student. (Education Code 48900.5)

When other means of correcting a student's behavior are implemented prior to imposing suspension upon the student, including supervised suspension, the Superintendent, principal, or designee shall document the other means of correction used and retain them in the student's record. (Education Code 48900.5)

(cf. 5125 - Student Records)

However, the Superintendent, principal, or designee may impose a suspension upon a first offense if he/she determines that the student violated any of items #1-5 listed in "Grounds for Suspension and Expulsion" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

In addition, the Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to be: (Education Code 48915)

1. Possessing, as verified by a district employee, selling, or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

5. Possessing an explosive as defined in 18 USC 921

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days unless the suspension is extended pending expulsion. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year unless, for purposes of adjustment, the student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion. (Education Code 48903, 48911, 48912)

(cf. 6184 - Continuation Education)

The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903)

Suspensions shall be initiated according to the following procedures:

1. Informal Conference: Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, presented with the evidence against him/her, and given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically

unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. Administrative Actions: All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)
3. Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

4. Parent/Guardian Conference: Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

Although the parent/guardian is required to respond without delay to a request for a conference about his/her child's behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied readmission solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision. (Education Code 48911)

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

(cf. 6173.1 - Education for Foster Youth)

In addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed in "Grounds for Suspension and Expulsion" above and within the limits specified in "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts listed in "Grounds for Suspension and Expulsion" occurred. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

Supervised Suspension Classroom

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to a supervised suspension classroom in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The supervised suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The supervised suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to a supervised suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

Authority to Expel

A student may be expelled only by the Board. (Education Code 48918(j))

The Board shall expel, as required by law, any student found to have committed any offense listed below under "Mandatory Recommendation and Mandatory Expulsion." (Education Code 48915)

For all other grounds listed above under "Grounds for Suspension and Expulsion," the Board shall order a student expelled upon the recommendation of the Superintendent, principal, or designee, only if the Board makes a finding of either or both of the following: (Education Code 48915(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

Mandatory Recommendation for Expulsion

Unless the Superintendent, principal, or designee determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915(a))

1. Causing serious physical injury to another person, except in self-defense

2. Possession of any knife as defined in Education Code 48915(g), explosive, or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Mandatory Recommendation and Mandatory Expulsion

The Superintendent, principal, or designee shall recommend that the Board expel any student found at school or at a school activity to be: (Education Code 48915(c))

1. Possessing, as verified by a district employee, selling, or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the firearm from a certificated school employee, with the principal or designee's concurrence

However, possession of an imitation firearm, as defined in Education Code 48900(m), shall not be regarded as an offense requiring a mandatory recommendation for expulsion and mandatory expulsion.

2. Brandishing a knife as defined in Education Code 48915(g) at another person
3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058
4. Committing or attempting to commit a sexual assault as defined in Penal Code 261, 266c, 286, 288, 288a, or 289, or committing a sexual battery as defined in Penal Code 243.4
5. Possessing an explosive as defined in 18 USC 921

Upon finding that the student committed any of the above acts, the Board shall expel the student. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed one of the acts listed above under "Grounds for Suspension and Expulsion." (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

After a determination that one of the grounds listed above under "Grounds for Suspension and Expulsion" has occurred, the Superintendent, principal, or designee shall offer the student and his/her parent/guardian the option to waive a hearing and stipulate to the expulsion. The stipulation agreement shall be in writing and shall be signed by the student and his/her parent/guardian.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present at the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing.
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based.
3. A copy of district disciplinary rules which relate to the alleged violation.
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment. This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

(cf. 5119 - Students Expelled from Other Districts)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney advisor.

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney advisor means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing.

7. The opportunity to confront and question all witnesses who testify at the hearing.
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses.

Additional Notice of Expulsion Hearing for Foster Youth

At least 10 days prior to a hearing to determine if a student who is a foster youth as defined under Education Code 48853.5 should be expelled for an offense not requiring a mandatory

recommendation for expulsion, the Superintendent or designee shall notify the student's attorney and a representative of an appropriate county child welfare agency. If the hearing is pursuant to an offense requiring a mandatory expulsion recommendation, the Superintendent or designee may provide the same notification. The notice shall be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding the provisions of Government Code 54953 and Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public unless another student's privacy rights would be violated. (Education Code 48918(c))

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious

affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)
 - a. Any complaining witness shall be given five days' notice before being called to testify.
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
 - d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
 - e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.
 - f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
 - g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.
 - (1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - (2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.
 - (3) The person conducting the hearing may:
 - (a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - (b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours
 - (c) Permit one of the support persons to accompany the complaining witness to the witness stand
6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918(d))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue its decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated. The Superintendent or designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with district staff, including the student's teachers, and with the student's parent/guardian. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion for a period of one year. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel, the final action to expel shall be taken by the Board at a public meeting. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

If the Board conducts the hearing and reaches a decision not to expel, this decision shall be final and the student shall be reinstated immediately.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board of Education (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision Not to Enforce Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The conduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of his/her status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))

7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Right to Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

The student shall submit a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board. The district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance. In addition, law enforcement authorities shall be notified regarding any acts by students regarding the possession, sale, or furnishment of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Post-Expulsion Placements

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site
3. Not housed at the school site attended by the student at the time of suspension

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for acts described in items #6-13 and #20-22 under "Grounds for Suspension and Expulsion" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Readmission procedures shall be as follows:

1. On the date set by the Board when it ordered the expulsion, the district shall consider readmission of the student. (Education Code 48916)

2. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
3. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session if information would be disclosed in violation of Education Code 49073-49079. If a written request for open session is received from the parent/guardian or adult student, it shall be honored.
4. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
5. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)
6. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school. (Education Code 48916)
7. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record, and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

(cf. 5119 - Students Expelled from Other Districts)

Outcome Data

The Superintendent or designee shall maintain the following data: (Education Code 48900.8, 48916.1)

1. The number of students recommended for expulsion
2. The specific grounds for each recommended expulsion
3. Whether the student was subsequently expelled
4. Whether the expulsion order was suspended
5. The type of referral made after the expulsion
6. The disposition of the student after the end of the expulsion period

In addition, the Superintendent or designee shall disaggregate student data collected based on race, color, nationality, religion, disability, and other categories protected from discrimination under the law.

Regulation WESTSIDE UNION SCHOOL DISTRICT
Approved: July 23, 2013 Quartz Hill, California

A student identified as an individual with a disability pursuant to the Individuals with Disabilities Education Act (IDEA), 20 USC 1400-1482, is subject to the same grounds and procedures for suspension and expulsion which apply to students without disabilities, except as otherwise specified in this administrative regulation.

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year.

(cf. 6159 - Individualized Education Program)

The Superintendent or designee shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A change of placement shall be deemed to have occurred under either of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.
2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
 - a. The series of removals total more than 10 school days in a school year.
 - b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
 - c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.

If a student's removal is determined to be a change of placement as specified in items #1-2 above, or the student is suspended for more than 10 school days in the same school year, the student's IEP team shall determine the appropriate educational services. Such services shall

be designed to enable the student to continue to participate in the general education curriculum in another setting, to progress toward meeting the goals set out in his/her IEP, and to address the student's behavior violation so that it does not recur. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If the IEP of a student with a disability requires the district to provide the student with transportation, the district shall provide the student with an alternative form of transportation at no cost to him/her or to his/her parent/guardian when he/she is to be excluded from school bus transportation. (Education Code 48915.5)

(cf. 3541.2 - Transportation for Students with Disabilities)

Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930
2. Knowingly possesses or uses illegal drugs
3. Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4. Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team. (20 USC 1415(k)(1)(G); 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

A student who has been removed from his/her current placement because of dangerous behavior shall receive services, although in another setting, to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment, a social-emotional evaluation, and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

Manifestation Determination

The following procedural safeguards shall apply when a student with a disability is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district's code of conduct:

1. Notice: On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

(cf. 5145.6 - Parental Notifications)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. Manifestation Determination Review: Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

- a. Caused by or had a direct and substantial relationship to the student's disability
- b. A direct result of the district's failure to implement the student's IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that either of the above conditions applies, the student's conduct shall then be determined to be a manifestation of his/her disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

3. Determination that Behavior is a Manifestation of the Student's Disability: When the student's conduct has been determined to be a manifestation of his/her disability, the IEP team shall conduct a functional behavioral assessment, unless one had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavioral intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and Superintendent or designee agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. Determination that Behavior is Not a Manifestation of the Student's Disability: When it has been determined that the student's conduct was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. However, the student's IEP team shall determine services necessary to enable him/her to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

As appropriate, the student also shall receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

Due Process Appeals

If the parent/guardian disagrees with any district decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a due process hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

Readmission

Readmission procedures for students with disabilities shall be the same as those adopted for students without disabilities. Upon readmission of a student with disabilities, an IEP team meeting shall be convened to review and, as necessary, modify the student's IEP.

Decision Not to Enforce Expulsion Order

The Board of Trustees' criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

Notification to Law Enforcement Authorities

Law enforcement notification requirements involving students with disabilities shall be the same as those specified for all students in AR 5144.1 - Suspension and Expulsion/Due Process.

When giving any required notification concerning a student with disabilities to any law enforcement official, the principal or designee shall require the law enforcement official to certify in writing that he/she will not disclose the student's information or records to any other person without the prior written consent of the student's parent/guardian. (Education Code 49076)

(cf. 5131.7 - Weapons and Dangerous Instruments)

Report to County Superintendent of Schools

The Superintendent or designee shall report to the County Superintendent of Schools when any special education student has been expelled or suspended for more than 10 school days. The report shall include the student's name, last known address, and the reason for the action. (Education Code 48203)

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been determined to be eligible for special education and related services and who has violated the district's code of student conduct may nevertheless assert any of the protections under IDEA, if the district had knowledge of the student's disability. (20 USC 1415(k)(5); 34 CFR 300.534)

Knowledge means that, before the occurrence of the behavior that precipitated the disciplinary action, one of the following occurred: (20 USC 1415(k)(5); 34 CFR 300.534)

1. The parent/guardian, in writing, has expressed concern to district supervisory or administrative personnel, or to a teacher of the student, that the student is in need of special education or related services.
2. The parent/guardian has requested an evaluation of the student for special education pursuant to 20 USC 1414(a)(1)(B) or 34 CFR 300.300-300.311.

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or other supervisory district personnel about a pattern of behavior demonstrated by the student.

However, the district shall not be deemed to have knowledge of a student's disability if the student's parent/guardian has not allowed him/her to be evaluated for special education services or has refused services or, after evaluating the student pursuant to 34 CFR 300.300-300.311, the district determined that he/she was not an individual with a disability.

When the district is deemed to not have knowledge of a student's disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)

Regulation WESTSIDE UNION SCHOOL DISTRICT

approved: September 1, 2015 Quartz Hill, California

Board Policy

The Board of Trustees desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.2 - Bullying)

To correct the behavior of any student who is subject to discipline, the Superintendent or designee shall, to the extent allowed by law, first use alternative disciplinary strategies specified in AR 5144 - Discipline. (Education Code 48900.5)

(cf. 1020 - Youth Services)

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 5144 - Discipline)

(cf. 6142.4 - Service Learning/Community Service Classes)

(cf. 6164.2 - Guidance/Counseling Services)
(cf. 6164.5 - Student Success Teams)

Alternatives to suspension or expulsion also shall be used with students who are truant, tardy, or otherwise absent from assigned school activities.

(cf. 5113 - Absences and Excuses)
(cf. 5113.1 - Chronic Absence and Truancy)

Except for single acts of a grave nature or offenses for which suspension or expulsion is required by law, suspension or expulsion shall be used only when other means of correction have failed to bring about proper conduct or the student's presence causes a continuing danger to himself/herself or others.

(cf. 5131.7 - Weapons and Dangerous Instruments)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be those specified in law and administrative regulation.

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code 48911, 48915, 48915.5)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Removal from Class by a Teacher and Parental Attendance

When suspending a student from class for committing an obscene act, engaging in habitual profanity or vulgarity, disrupting school activities, or otherwise willfully defying valid staff authority, the teacher of the class may require any parent/guardian who lives with the student to attend a portion of the school day in the class from which the student is being suspended, to assist in resolving the classroom behavior problems. (Education Code 48900.1)

Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the teacher and the student and his/her parents/guardians and to improve the student's behavior.

Any teacher requiring parental attendance pursuant to this policy shall apply the policy uniformly to all students within the classroom. (Education Code 48900.1)

When a teacher requires parental attendance, the principal shall send a written notice to the parent/guardian stating that his/her attendance is required pursuant to law. (Education Code 48900.1)

(cf. 5145.6 - Parental Notifications)

A parent/guardian who has received a written notice shall attend class as specified in the notice. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)

At the meeting with the student's parent/guardian, the principal or designee shall explain the district's and school's discipline

policies, including the disciplinary strategies that may be used to achieve proper student conduct.

When a parent/guardian does not respond to the request to attend school, the principal or designee shall contact him/her by telephone, mail, or other method that maintains the confidentiality of the student's records.

(cf. 5125 - Student Records)

District regulations and school-site rules for student discipline shall include procedures for implementing parental attendance requirements. Parents/guardians shall be notified of this policy prior to its implementation. (Education Code 48900.1)

Decision Not to Enforce Expulsion Order

In cases where expulsion is mandatory pursuant to Education Code 48915(c), the enforcement of an expulsion order shall not be suspended by the Board. In all other cases of expulsion, the order for expulsion may be suspended by the Board, on case-by-case basis, pursuant to the requirements of law and administrative regulation.

Policy WESTSIDE UNION SCHOOL DISTRICT

adopted: July 23, 2013 Quartz Hill, California

Education Code

A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent of the school district or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:

- (a) (1) Caused, attempted to cause, or threatened to cause physical injury to another person.
- (2) Willfully used force or violence upon the person of another, except in self-defense.
- (b) Possessed, sold, or otherwise furnished a firearm, knife, explosive, or other dangerous object, unless, in the case of possession of an object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or the designee of the principal.
- (c) Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind.
- (d) Unlawfully offered, arranged, or negotiated to sell a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind, and either sold, delivered, or otherwise furnished to a person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcoholic beverage, or intoxicant.
- (e) Committed or attempted to commit robbery or extortion.
- (f) Caused or attempted to cause damage to school property or private property.
- (g) Stole or attempted to steal school property or private property.
- (h) Possessed or used tobacco, or products containing tobacco or nicotine products, including, but not limited to, cigarettes, cigars, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel. However, this section does not prohibit use or possession by a pupil of his or her own prescription products.
- (i) Committed an obscene act or engaged in habitual profanity or vulgarity.
- (j) Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell drug paraphernalia, as defined in Section 11014.5 of the Health and Safety Code.
- (k) (1) Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.
- (2) Except as provided in Section 48910, a pupil enrolled in kindergarten or any of grades 1 to 3, inclusive, shall not be suspended for any of the acts enumerated in this subdivision, and this subdivision shall not constitute grounds for a pupil enrolled in kindergarten or any of grades 1 to 12, inclusive, to be recommended for expulsion. This paragraph shall become inoperative on July 1, 2018, unless a later enacted statute that becomes operative before July 1, 2018, deletes or extends that date.
- (l) Knowingly received stolen school property or private property.
- (m) Possessed an imitation firearm. As used in this section, "imitation firearm" means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.
- (n) Committed or attempted to commit a sexual assault as defined in Section 261, 266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code.

- (p) Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.

(q) Engaged in, or attempted to engage in, hazing. For purposes of this subdivision, "hazing" means a method of initiation or preinitiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. For purposes of this subdivision, "hazing" does not include athletic events or school-sanctioned events.

(r) Engaged in an act of bullying. For purposes of this subdivision, the following terms have the following meanings:

(1) "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

(A) Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.

(B) Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.

(C) Causing a reasonable pupil to experience substantial interference with his or her academic performance.

(D) Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

(2) (A) "Electronic act" means the creation and transmission originated on or off the schoolsite, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

(i) A message, text, sound, or image.

(ii) A post on a social network Internet Web site, including, but not limited to:

(I) Posting to or creating a burn page. "Burn page" means an Internet Web site created for the purpose of having one or more of the effects listed in paragraph (1).

(II) Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed in paragraph (1). "Credible impersonation" means to knowingly and without consent impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed, that the pupil was or is the pupil who was impersonated.

(III) Creating a false profile for the purpose of having one or more of the effects listed in paragraph (1). "False profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.

(B) Notwithstanding paragraph (1) and subparagraph (A), an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

(3) "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

(s) A pupil shall not be suspended or expelled for any of the acts enumerated in this section unless the act is related to a school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the school district or principal or occurring within any other school district. A pupil may be suspended or expelled for acts that are enumerated in this section and related to a school activity or school attendance that occur at any time, including, but not limited to, any of the following:

(1) While on school grounds.

(2) While going to or coming from school.

(3) During the lunch period whether on or off the campus.

(4) During, or while going to or coming from, a school-sponsored activity.

(t) A pupil who aids or abets, as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, pursuant to this section, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (a).

(u) As used in this section, "school property" includes, but is not limited to, electronic files and databases.

Policy WESTSIDE UNION SCHOOL DISTRICT

adopted: March 15, 2016 Quartz Hill, California

(F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)

In cooperation with teachers, students and parents or guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with district policy and regulations. These school dress codes shall be regularly reviewed.

Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

(cf. 0420 - School Plans/Site Councils)

1. All students shall wear shoes at all times: (sandals may be considered shoes provided that they have a strap over the top of the foot and around the heel.)
2. Shirts/blouses, which reveal bare midriff, chest, sides, back or expose cleavage are unacceptable. Shirts/blouses should meet the waist or top of trousers or skirts, when the student's arms are up.
3. No student may wear articles of clothing, jewelry, paraphernalia, hair styles, nails longer than 1/2 inch or accessories which pose a threat to the physical and/or emotional well-being and safety of the student or others on campus or at school activities.
4. Clothing, jewelry, paraphernalia or material which is obscene, sexually explicit, evil, intimidating, or which depicts or suggests sexually related or obscene gestures, pictures or wording, or which promotes violence, the use/abuse of drugs, tobacco or alcohol, or which downgrades a positive educational climate, may not be worn or carried on campus or at school activities.
5. Clothing or articles of clothing, (including, but not limited to, gloves, torn clothing, bandannas, shoestrings, wristbands, jewelry), which are likely to cause others to be intimidated by fear of violence or are disruptive to the educational process, may not be worn on campus or at any school activity.
6. "Sagging" is not permissible. Baggy pants are limited to two sizes above waist size and must be worn appropriately. Principal, Vice principal, or designee will determine what is appropriate for school. Oversized shirts must be tucked into trousers.
7. Hair styles should not distract the learning environment. This includes non-natural hair color, mohawks, designs, or any style that is distracting to other students.
8. No gang-related jewelry, insignia, colors, paraphernalia, materials, apparel, clothing, hair styles or attire may be worn or carried

on campus or at school activities.

9. Items identified as gang-related clothing, apparel, attire, jewelry, insignias, paraphernalia and materials may vary from school to school, may change from year to year and may be different from grade level to grade level.
10. The principal or principal's designee shall enforce the Student Dress Policy. School employees will assist the principal and the designee in the enforcement of the Westside Union School District Student Dress Policy

13. Under Board policy, each school administrator will provide annual written notice of dress regulations in place at the school site. Generally, this notice will be contained in the school handbook.

Coaches and teachers may impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes.

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

(cf. 5121 - Grades/Evaluation of Student Achievement)

The principal, staff, students and parent/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 35294.1)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

Uniforms

In schools where a schoolwide uniform is required, the principal, staff and parents/guardians of the individual school shall jointly select the specific uniform to be worn. (Education Code 35183)

At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)

Parents/guardians shall also be informed of their right to have their child exempted.

The principal or designee shall also repeat this notification at the end of the school year so that parents/guardians are reminded before school clothes are likely to be purchased.

The principal or designee shall establish a method for recycling or exchanging uniforms as students grow out of them.

Board Policy

The Board of Trustees believes that the use of alcohol or other drugs adversely affects a student's ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences. The Board desires to keep district schools free of alcohol and other drugs and desires that every effort be made to reduce student use of these substances. The Board perceives this effort as an important step towards preventing violence, promoting school safety, and creating a disciplined environment conducive to learning.

The Superintendent or designee shall develop a comprehensive prevention and intervention program that includes instruction, referral to a rehabilitation program, enforcement/discipline, activities that promote the involvement of parents/guardians, and coordination with appropriate community agencies and organizations.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 1020 - Youth Services)

(cf. 4020 - Drug and Alcohol-Free Workplace)

(cf. 6020 - Parent Involvement)

The Superintendent or designee shall clearly communicate to all students, staff and parents/guardians the district's policies, regulations and school rules related to the use of alcohol and other drugs on school campuses or at school activities. Information about program needs and goals shall be widely distributed in the community.

(cf. 1100 - Communication with the Public)

(cf. 5131.61 - Drug Testing)

The Board also encourages the establishment of a district-level advisory group to assist in promoting alcohol- and drug-free schools.

(cf. 1220 - Citizen Advisory Committees)

Instruction

The district shall provide preventative instruction which helps students avoid the use of alcohol and other substances. Age-appropriate K-8 instruction shall address the legal, social, personal and health consequences of substance abuse and alcohol use, promote a sense of individual responsibility, and inform students about effective techniques for resisting peer pressure to use alcohol and other substances.

All instruction and related materials shall consistently state that unlawful use of alcohol or other substances is wrong and harmful. Instruction shall not include the concept of responsible use when such use is illegal.

Teachers shall be trained to answer students' questions related to alcohol and substances and to help students obtain and use current and accurate information, develop and maintain a positive self-concept, take positive actions to cope with stress, and use appropriate social and personal skills to resist involvement with alcohol and other substances.

(cf. 4131 - Staff Development)

(cf. 6142.2 - AIDS Prevention Instruction)

(cf. 6142.8 - Comprehensive Health Education)

(cf. 6143 - Courses of Study)

Intervention, Referral and Recovering Student Support

The Board believes that effective interventions should be available to assist students who use alcohol or other substances. School staff, students and parents/guardians shall be informed about signs and symptoms which may indicate alcohol and other drug use and about appropriate agencies offering intervention programs, counseling and rehabilitation for students and their family members. The district shall help recovering students to avoid reinvolvement with alcohol and other substances by providing school and/or community service activities designed to increase students' sense of community.

The Board strongly encourages any student who is using alcohol or drugs to discuss the matter with his/her parent/guardian or with any staff member. Students who disclose their use of alcohol or other substances when seeking help from an intervention or recovery program shall not be disciplined for such use.

Enforcement/Discipline

The Superintendent or designee shall take appropriate action to eliminate possession, use or sale of alcohol and other abusable substances and related paraphernalia on school grounds, at school events, or in any situation in which the school is responsible for the conduct and well-being of students. School authorities may search students and school properties for the possession of alcohol and other drugs in accordance with law, Board policy and administrative regulations.

(cf. 5145.11 - Questioning and Apprehension)

(cf. 5145.12 - Search and Seizure)

Students possessing, using or selling alcohol or other abuseable substances or related paraphernalia at school or at a school event shall be subject to disciplinary procedures including suspension or expulsion in accordance with law, Board policy and administrative regulations. Such students also may be referred to an appropriate rehabilitation program.

Policy, WESTSIDE UNION SCHOOL DISTRICT

Adopted: February 2, 2010, Quartz Hill, California

(S) Student Use of Technology

The Westside Unified School District has a strong commitment to providing a safe and engaging learning environment for its students, including access to and experience with current technology and Internet resources. Because the Internet is an unregulated, worldwide vehicle for communication, information available for staff and students is impossible to control. The district has taken several steps to protect students from accessing inappropriate materials on the Internet:

The district maintains and updates its technology use policies (Board Policy/Administrative Regulations 6163.4) and Student Technology and Internet Use Agreements to clarify expectations and communicate requirements for appropriate and safe use of District technology resources.

The district instructs students in the proper use of Internet resources and monitors student use of the network.

The district employs an Internet content filter to screen Internet web traffic and block inappropriate materials from student access.

However, the district cannot guarantee that students will not be exposed to inappropriate material. Therefore, it is essential for students to accept responsibility for the proper use of the technological resources available at their school. This policy is intended to comply with the Children's Internet Protection Act (CIPA).

1. Personal Responsibility and Safety.

I know that school computers and internet communication tools must be used properly and with respect.

- a. I understand that using the school's computers and accessing the Internet is a privilege that is granted.
- b. I understand that all the rules described in my school's discipline policy and this Technology Use Agreement apply when I am using computers at school and whenever I'm using the Internet or the school district's My Big Campus web portal for social media activities, even from home or other non-school locations.
- c. I will immediately stop and tell the teacher if anything happens on the computer or on the Internet that does not seem right or makes me feel uncomfortable (inappropriate, offensive, illegal, any act of bullying, or action that violates the Technology Use Agreement).
- d. If I find something that is not appropriate on the computer or on the Internet, I will leave it right away and notify the teacher, especially if I reached the inappropriate material in the course of completing an assignment.
- e. I will not show other students inappropriate content. (Consequences for this type of behavior may be more severe.)
- f. I will report any misuse of the computer or the network by another student to a teacher or principal.
- g. I will take care of the computer and all technology equipment as if it belonged to me.

- h. I understand that the district keeps a record of everything that is done on or through its computers and that things done on the Internet can be traced back to the person who did it.
- i. I will not share my account username or password and will not allow anyone else to use my account.

2. Inappropriate Uses.

I understand that school computers should be used for learning, not for playing games, harassing, bullying, or vandalism. Inappropriate use may lead to loss of privileges and prosecution.

- a. I will only use school computers for classroom work assigned by the teacher.
- b. I will not use school computers for playing games or socializing apart from an assigned activity.
- c. I will not participate in chat rooms (or instant messaging) while I am at school, unless specifically directed to by my teacher for a particular assignment.
- d. I will not damage the computer nor load any viruses, spyware, or other malware onto the computer or network. I understand this would be considered a form of vandalism.
- e. I will not alter the way the computer desktop looks or how it works.(control panels, network settings)
- f. I will not attempt to bypass security measures on the computer or the district network.
- g. I will not download any software from the Internet unless specifically directed to as part of a lesson.
- h. I will not install any software, hardware, or devices on the school computer or the network unless instructed to do so.
- i. I will not buy, sell, or advertise anything using the school computer and network.
- j. I will not log into the computer or network with someone else's username and password.
- k. I will not seek out or share inappropriate or obscene material. (You may be prosecuted.)

I understand that improper use of school computers, the Internet, and My Big Campus could break the law and/or school rules resulting in discipline which could include suspension and/or expulsion from school.

3. Digital Citizenship.

I will treat people with dignity and respect when using the computer and accessing the Internet.

- a. I will not threaten, insult, gossip, tease, or treat others with cruelty while I am online or using a computer. I understand this type of behavior is a form of bullying, will not be tolerated, will be punished, and may result in the loss of privileges.
- b. I will respect other students' work on the computer. I will not copy, change, or remove another student's work from the computer, the school network, the Internet or My Big Campus.
- c. I will tell a teacher or administrator whenever I encounter anything on the Internet (including My Big Campus) that I think may be inappropriate or a violation of school policies.
- d. I will not copy information and use it as if it were my own ideas without giving credit to the information's author and source. I know that failure to properly cite my sources of information is called plagiarism and is a form of cheating.

4. Online Behavior.

I will follow these guidelines when using the Internet, including My Big Campus.

- a. I understand that things I post on the internet may be seen by everyone at school, at home, and in the world.
- b. I will not share personal information (either my own, another student's, a teacher's, or any other adult's) including: references to where I live, details about family or friends (including names), my age, birthday, home address, or telephone number, on the Internet or on My Big Campus.
- c. I understand that once information has been posted on-line, in an email or a blog, it cannot be completely taken back. Even if a post is deleted, there could be older versions that were automatically saved that can be viewed, copied and disseminated.
- d. I will consider whom I am communicating with and think about how they might interpret my words.
- e. I will give constructive criticism and comments in order to help people and not to make them feel bad.
- f. I will use respectful and appropriate language without swearing, name calling, or causing others to feel uncomfortable due to their gender, race, appearance, behavior, or beliefs (These are actions that could be considered harassment or bullying).
- g. I understand that authorities (including the district, law enforcement, police, FBI, Secret Service, etc.) have ways of tracking things that are posted on the Internet back to the computer or person that posted it even if the person never uses their

own name or leaves any personal information. I understand that anything I post on the Internet could eventually be linked to me.

- h. I will only post information that I can verify is true and I will not spread gossip about other students.
- i. I will not use "chat" or "text" lingo when posting or commenting on a school blog, but I will use proper spelling and grammar. (For example, the following are not allowed: "2" instead of "to", "lol" instead of "laughing out loud", "l8r" instead of "later", "brb" instead of "be right back", etc.)
- j. I will not use excessive punctuation (For example: "!!!!!!") nor all capital letters (which implies shouting). I will use words to convey meaning instead of relying on punctuation and capitalization.
- k. I will not impersonate others or try to trick people into thinking what I wrote was done by someone else. I understand that this could be a form of bullying and harassment.
- l. I will not use online forums or technology resources to cheat on tests or assignments.
- m. I will ask my teacher for clarification whenever I am in doubt about any of the rules or guidelines.

I understand that I may face a range of discipline up to and including suspension and/or expulsion from school and prosecution if I do not follow the guidelines listed above. I understand that the Internet (including My Big Campus) is an extension of our school learning environment and, therefore all school rules and expectations apply.

5. Service Expectations.

I understand that although Westside Union School District has put security measures in place, it cannot guarantee that every bad website or inappropriate content will be blocked from student access. I also understand that the district does not guarantee that all students will have access to computers, the Internet, or files stored on its servers 100% of the time. I will always be prepared for the possibility that computers or access to the network may not function on any given day, and that files on the district's servers may become corrupted or lost. I will be responsible for backing up my own files on my own media, as the district does not store backups of the student files on its servers.

6. Privileges.

I understand that using technology and/or the Internet is a privilege that is maintained by my responsible use. If I don't use technology properly or treat others respectfully online, I will lose that privilege and face disciplinary actions and my parents will be notified.

This greatly facilitates the flow of information and resources among the agencies participating in response to an emergency. SEMS consists of five functions:

Management

During an emergency, the Incident Commander directs response actions from a designated Command Post. To effectively do this, the Incident Commander must constantly assess the situation, and develop and implement appropriate strategies. The Incident Commander must be familiar with the available resources, accurately document all response actions, and effectively communicate response strategies to others participating in the response. This function is typically filled by the school principal. The principal is assisted in carrying out this function by a Public Information & Liaison Officer and Safety Officer.

Planning & Intelligence

Planning and Intelligence involves the use of various methods to efficiently gather information, weigh and document the information for significance, and actively assess the status of the emergency. This understanding and knowledge about the situation at hand is vital to the effective management of a response. These activities are performed by a single person who reports directly to the Incident Commander.

Operations

All response actions are implemented under by Operations. This includes staff performing first aid, crisis intervention, search and rescue, site security, damage assessment, evacuations, and the release of students.

Logistics

Logistics supports the response by coordinating personnel; assembling and deploying volunteers; providing supplies, equipment, and services; and facilitating communications among emergency responders.

Finance & Administration

Finance & Administration involves the purchasing of all necessary materials, tracking financial records, timekeeping for emergency responders, and recovering school records following an emergency. These activities are performed by a single person who reports directly to the Incident Commander.

Emergency Response Guidelines

Emergency Actions are a set of simple directives and alert level procedures that may be implemented across a number of emergency situations. When an emergency occurs, it is critical that staff members take immediate steps to protect themselves and others. With Emergency Actions in place, staff can follow specific directions without having to learn extensive protocols for each of several dozen different emergency situations. The Incident Commander will decide which Emergency Actions to implement, based on the situation.

The most common immediate emergency actions below are listed below, followed by specialized emergency actions. Specific steps to take for each of these are detailed in the following pages. Staff members must become familiar with each emergency action and be prepared to perform assigned responsibilities. All students must be taught what to do when any of the common emergency actions are implemented.

COMMON EMERGENCY ACTIONS	
ALL CLEAR Used to conclude other immediate emergency actions and to notify staff and students that normal school operations can resume.	DROP/DUCK/COVER AND HOLD ON The action taken during an earthquake to protect students and staff from flying and falling debris.
EVACUATION The orderly movement of students and staff from school buildings to another area when conditions outside are safer than inside.	LOCKDOWN Initiated when there is an immediate or imminent threat to occupants of a school building and movement within will put students and staff in jeopardy. Lockdown involves a "no one in, no one out" scenario.
SHELTER IN PLACE Implemented to isolate students and staff from the outdoor environment and provide greater protection from external airborne contaminants.	STAND BY Notifies students and staff that further instructions will follow shortly.
SPECIALIZED EMERGENCY ACTIONS	
CONVERT SCHOOL Initiated when a requirement exists during a disaster for community medical facilities or community shelters (run by the Marin County Department of Health and Human Services or American Red Cross)	DIRECTED TRANSPORTATION Implemented when students and staff are loaded into school buses, cars and any other available means of transportation and moved from an area of danger to an area of lesser danger.
OFF-SITE EVACUATION Implemented when it is unsafe to remain on the campus, and evacuation to an off-site assembly area is required.	REVERSE EVACUATION Initiated if an incident occurs while students are outside and conditions are safer inside the building.
STUDENT RELEASE Instructs staff to prepare for releasing students from school during the academic day.	TAKE COVER Instructs staff and students to move to and take refuge in the best-shielded areas within the school buildings.

Emergency Action – All Clear

ALL CLEAR is used to conclude other immediate actions taken upon an emergency to notify staff and students that normal school operations can resume. **ALL CLEAR** signifies that the emergency is over. This is the final ACTION used to conclude the following actions:

- **DUCK, COVER and HOLD ON**
- **EVACUATION and REVERSE EVACUATION**
- **LOCKDOWN**
- **SHELTER IN PLACE**
- **STANDBY**
- **TAKE COVER**

ANNOUNCEMENT:

1. Make the following announcement in person directly or over the public address system:

Example: **"Your attention please. (Pause) ALL CLEAR. (Pause) ALL CLEAR. (Pause) ALL CLEAR. (Pause). It is now OK to resume normal school activities. Thank you all for your cooperation."**

2. Use messengers with oral or written word as an alternate means of staff notification.
3. Use Parent Telephone Notification System, if appropriate.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Determine that the emergency is over and it is safe to resume classes. It may be necessary to talk to first responders to make this determination.
- ☐ Make the **ALL CLEAR** announcement.
- ☐ Send home with students for their parents/guardians a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- ☐ As soon as the **ALL CLEAR** announcement has been made, return to the classroom or to desks and chairs, unlock doors and windows, and immediately begin discussions and activities in classrooms to assist students in addressing fear, anxiety and other concerns.
- ☐ Use Parent Telephone Alert System, if appropriate.

Emergency Action - Duck, Cover and Hold On

DUCK, COVER AND HOLD ON is the action taken during an earthquake to protect students and staff from flying and falling debris. It is appropriate action for:

- Earthquake
- Explosion

ANNOUNCEMENT:

The following announcement will be made over the public address system and by teachers in classrooms:

Example: "Attention please. We are experiencing seismic activity. For your protection, follow **DUCK, COVER AND HOLD ON** procedures. Get under a table or desk, away from windows and anything that could fall and hurt you. Hold that position until the shaking stops or until you receive further instructions."

STAFF AND STUDENT ACTIONS:

Inside

- ☐ Arrange desks so that they do not face windows.
- ☐ Instruct students to move away from windows.
- ☐ Immediately drop to the floor under desks, chairs or tables. With back to windows, place head between knees, hold on to a table leg with one hand and cover the back of the neck with the other arm.
- ☐ Remain in place until shaking stops or for at least 20 seconds. When quake is over, leave building. Do not run. Avoid routes with architectural overhangs. Do not re-enter building until declared safe by competent authority.

Outside

- ☐ Instruct students to move away from buildings, trees, overhanging wires and **DUCK, COVER and HOLD ON**.
- ☐ Upon the command **DUCK, COVER AND HOLD ON**, immediately move away from objects which might topple over, drop to the ground or get under a table close by, place head between knees, and cover back of neck with arms and hands.
- ☐ Remain in place until shaking stops or for at least 20 seconds.

Emergency Action - Evacuation

EVACUATION is implemented when conditions make it unsafe to remain in the building. This ACTION provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated outside area of safety.

EVACUATION is considered appropriate for, but is not limited to, the following types of emergencies:

- Fire
- Bomb threat
- Chemical accident
- Explosion or threat of explosion
- Post earthquake

See next page for how to assist those with disabilities during an evacuation.

See also: **OFF-SITE EVACUATION**, which is implemented when it is not safe to remain on the school campus and **REVERSE EVACUATION**, when it is unsafe to remain outside.

ANNOUNCEMENT:

1. Fire alarm (bell or horn signal).
2. Provided time is available, make an announcement over the public address system:

Example: "Attention please. We need to institute an **EVACUATION** of all buildings. Teachers are to take their students to their designated Assembly Area. Students please remain with your teacher."

3. Implement Special Needs Evacuation Plan (see **Section II – Preparedness**).
4. Use messengers with oral or written word to deliver additional instructions to teachers in hold areas.

PRINCIPAL/SITE ADMINISTRATOR:

- ☐ The Assembly Area should be a safe location on the school campus away from the building and emergency response equipment that may arrive at the school. If unsafe for the current emergency, designate an alternate Assembly Area.
- ☐ When clearance to return to the buildings is determined or received from appropriate agencies, announce **ALL CLEAR** to return to classrooms and resume school activities.
- ☐ Send home with students for their parents/guardians a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- ☐ Instruct students to leave the building in an orderly manner using the designated evacuation routes and reassemble in the assigned Assembly Area.
- ☐ Take the emergency backpack and student roster when leaving the building and take attendance when the class is reassembled in a safe location. Report attendance to the Incident Commander/designee.
- ☐ Remain in the Assembly Area until further instructions are given.
- ☐ Wait for another ACTION or the **ALL CLEAR** instruction to return to school buildings and normal class routine.

HOW TO ASSIST THOSE WITH DISABILITIES DURING AN EVACUATION

The needs and preferences of non-ambulatory individuals will vary. Those at ground floor locations may be able to exit without help. Others may have minimal ability to move, and lifting may be dangerous. Some non-ambulatory people also have respiratory complications. Remove them from smoke and vapors immediately

To alert visually-impaired individuals

- ☐ Announce the type of emergency.
- ☐ Offer your arm for guidance.
- ☐ Tell person where you are going, obstacles you encounter.

- ☐ When you reach safety, ask if further help is needed.

To alert individuals with hearing limitations

- ☐ Turn lights on/off to gain person's attention -OR-
- ☐ Indicate directions with gestures -OR-
- ☐ Write a note with evacuation directions.

To evacuate individuals using crutches, canes or walkers

- ☐ Evacuate these individuals as injured persons.
- ☐ Assist and accompany to evacuation site, if possible -OR-
- ☐ Use a sturdy chair (or one with wheels) to move person -OR-
- ☐ Help carry individual to safety.

To evacuate individuals using wheelchairs

- ☐ Give priority assistance to wheelchair users with electrical respirators
- ☐ Most wheelchairs are too heavy to take downstairs; consult with the person to determine the best carry options.
- ☐ Reunite person with the wheelchair as soon as it is safe to do so.

Emergency Action - Lockdown

LOCKDOWN is initiated to isolate students and school staff from danger when there is a crisis inside the building and movement within the school might put students and staff in jeopardy. **LOCKDOWN** is used to prevent intruders from entering occupied areas of the building. The concept of **LOCKDOWN** is no one in, no one out. All exterior doors are locked, and students and staff must remain in the classrooms or designated locations at all times. Teachers and other school staff are responsible for accounting for students and ensuring that no one leaves the safe area. **LOCKDOWN** is not normally preceded with an announcement. This ACTION is considered appropriate for, but is not limited to, the following types of emergencies:

- Gunfire
- Rabid animal at large
- Extreme violence outside the classroom

LOCKDOWN differs from **SHELTER-IN-PLACE** because it does not involve shutting down the HVAC systems and does not allow for the free movement within the building.

ANNOUNCEMENT:

1. Make an announcement in person directly or over the public address system:

Example: "Attention please. We have an emergency situation and must implement **LOCKDOWN** procedures. Students go immediately to the nearest classroom. Teachers lock classroom doors and keep all students inside the classroom until further notice. Do not open the door until notified by an administrator or law enforcement."

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Make the announcement. Instruct teachers and staff to immediately lock doors and remain in the classroom or secured area until further instructions are provided.
- ☐ Call 911. Provide location, status of campus, all available details of situation.
- ☐ When clearance is received from appropriate agencies, give the **ALL CLEAR** instruction to indicate that it is safe to unlock the doors and return to the normal class routine.
- ☐ Send home with students a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- ☐ If it is safe to clear the hallways, bathrooms and open areas, direct students to the closest safe classroom.
- ☐ Immediately lock doors and instruct students to lie down on the floor.
- ☐ Close any shades and/or blinds if it appears safe to do so.
- ☐ Remain quiet and calm in the classroom or secured area until further instructions are provided by the principal or law enforcement.

STUDENT ACTIONS:

- ☐ Move quickly and quietly to the closest safe classroom.
- ☐ If rooms are locked, immediately hide in the closest safe zone: bathroom, janitorial closet, office area, library. Lock the door or move furniture or trash can to bar access to the room. Remain quiet until further instructions are provided by the principal or police.

Emergency Action – Shelter In Place

SHELTER IN PLACE is a short-term measure implemented when there is a need to isolate students and staff from the outdoor environment to prevent exposure to airborne contaminants. The procedures include closing and sealing doors, windows and vents; shutting down the classroom/building heating, ventilation and air conditioning systems to prevent exposure to the outside air; and turning off pilot lights.

SHELTER IN PLACE allows for the free movement of staff and students within the building, although one should not leave the room until further instructions are received. Those in bungalows and buildings with exterior passageways must remain in the classroom while **SHELTER IN PLACE** is instituted. It is appropriate for, but not limited to, gas leaks, external chemical release, dirty bombs and hazardous material spills.

ANNOUNCEMENT:

1. Make an announcement in person directly or over the public address system:

Example: "Attention please. We have a hazard in the community and are instituting **SHELTER IN PLACE** procedures. Students and staff should remain inside with windows and doors securely closed and air conditioning units turned off. Those who are outside should immediately move to the protection of an inside room. Do not go outdoors until you receive further instructions."

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Make an announcement on the public address system. Give clear instructions, remain calm and convey reassurance that the situation is under control.
- ☐ When clearance is received from appropriate agencies, give the **ALL CLEAR** instruction to indicate that the normal school routine can resume.
- ☐ Make arrangements for central HVAC shutdown, as necessary.

TEACHER and STAFF ACTIONS:

- ☐ Immediately clear students from the halls. Stay away from all doors and windows.
- ☐ Keep all students in the classroom until further instructions are received. Assist those needing special assistance.
- ☐ Secure individual classrooms: a) close and lock doors and windows; b) shut down the classroom HVAC system; c) turn off local fans in the area; d) seal gaps under doors and windows with wet towels or duct tape; e) seal vents with aluminum foil or plastic wrap; and f) turn off sources of ignition, such as pilot lights.
- ☐ Take attendance and call report in to school secretary. Wait for further instructions.

STUDENT ACTIONS:

- ☐ Proceed to the classroom, if it is safe to do so. If not, follow teacher or staff directions to nearby classrooms or other rooms (e.g., auditorium, library, cafeteria, multi-purpose room). If these are unsafe, follow instructions to proceed to an alternative indoor location.

Emergency Action – Stand-By

STAND BY is appropriate for all disasters or emergencies, except those that occur without warning. **STAND BY** must be followed by another ACTION or the **ALL CLEAR** instruction to return to normal school activities.

ANNOUNCEMENT:

1. Make an announcement in person directly or over the public address system:

Example: "Attention please. (Pause) **STAND BY.** (Pause) **STAND BY.** (Pause) **STAND BY.** (Pause) Additional information will follow."

2. Use messengers with oral or written word as an alternate means of faculty notification.
3. Use Parent Telephone Alert System, if appropriate.

STAFF ACTIONS:

- ☐ If outside, teachers are to return students to their classrooms.
- ☐ If inside, teachers will hold students in classrooms pending receipt of further instructions.
- ☐ **STAND BY** must be followed by another ACTION or **ALL CLEAR** instruction to return to normal school activities.

Emergency Action – Covert Schools

CONVERT SCHOOL is implemented during a disaster when a requirement exists for community medical facilities or shelters. **CONVERT SCHOOL** will be initiated only by the Superintendent and/or upon the request of officials from the Department of Health and Human Services or the American Red Cross as arranged by a prior written Memorandum of Understanding between the school district and the public agency. This action is normally preceded by another ACTION such as **EVACUATION**. If the Red Cross chooses a school as a community shelter, it will arrange shelter set-up. After an earthquake, potential shelter locations are checked by a local building inspector approved by local government authorities before a determination is made to use the school site as a shelter.

ANNOUNCEMENT:

During School Hours

1. Make the following announcement in person directly or over the public address system:

Example: "Attention please. (Pause) **CONVERT SCHOOL**. (Pause) **CONVERT SCHOOL**. (Pause) Thank you."

Other than School Hours

2. Use the School Personnel Telephone Notification System to notify all school employees.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

During School Hours

- ☐ Dismiss all classes or, if the situation dictates, hold students at school for temporary care.
- ☐ Convert the school into an Emergency Hospital, First Aid Station or community shelter for congregate care. (Community shelter is operated by the Department of Health and Human Services or the American Red Cross.)
- ☐ When converting the school to an Emergency Hospital or First Aid Station, follow the guidance and directions of the medical personnel upon their arrival.

Other than School Hours

- ☐ Alert school employees through the School Personnel Alerting System.
- ☐ Suspend scheduled classes. Use Telephone Alert System and Parent Notification System. Notify District Office for assistance by other means.
- ☐ Convert of the school into an emergency hospital, vaccination station (operated by the Department of Health and Human Services or community shelter (operated by the American Red Cross.)
- ☐ When converting the school to an Emergency Hospital or First Aid Station, follow the guidance and directions of the medical personnel upon their arrival.

Emergency Action - Directed Transportation

DIRECTED TRANSPORTATION is implemented when students and staff are loaded into school buses, cars and any other available means of transportation and moved from a dangerous area to an area of lesser danger. This ACTION will normally be preceded by **STAND-BY, EVACUATION** or another ACTION. **DIRECTED TRANSPORTATION** is considered appropriate for, but is not limited to, the following types of emergencies:

- Chemical accident
- Fire
- Flood

ANNOUNCEMENT:

1. Make the following announcement in person directly or over the public address system:

Example: "Attention please. (Pause) **DIRECTED TRANSPORTATION when dismissal bell rings.** (Pause) **DIRECTED TRANSPORTATION when dismissal bell rings.** (Pause) Thank you."

2. Use messengers with oral or written word as an alternate means of staff notification.
3. Use Parent Telephone Notification System, if time permits.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

Prior to implementing **DIRECTED TRANSPORTATION**, determine the following:

- ☐ Who is assigned to each loading area? _____
- ☐ Where are loading areas? _____
- ☐ What, if any, change in vehicle traffic patterns are necessary? _____

- ☐ What staff supervises this ACTION, and where? _____
- ☐ How can sufficient transportation be arranged to accommodate the entire student population and staff? _____

TEACHER ACTIONS:

- ☐ Take attendance before leaving the campus.
- ☐ Upon arrival at the safe site, take attendance again after students exit the bus.
- ☐ Report attendance to the Principal/designee.
- ☐ Keep students together. Remain calm.

BUS DRIVER ACTIONS:

- ☐ Take the safest route to the pre-identified evacuation sites.
- ☐ Avoid dangers such as driving through flooded roads, crossing over swollen creeks, etc.

STUDENT ACTIONS:

- ☐ Remain quiet and seated while on the bus.
- ☐ Keep head, hands, backpacks, etc. away from the open windows.
- ☐ Stay together at the alternate site. Remain calm.
- ☐ Report any injuries or problems to teachers or staff members.

To evacuate by other vehicles

If buses are unable to get to the campus quickly or not enough are available, consider other modes of transportation. A list should be developed of school owned vehicles, staff vehicles and parent vehicles that are available. **This method of evacuation should only be used in extreme emergency since there is a great potential to lose track of the students.**

- ☐ Drivers should take the safest route to the pre-identified evacuation sites.
- ☐ Account for all students before transportation occurs and after arrival at the safe site.

Emergency Action – Off-Site Evacuation

OFF-SITE EVACUATION is implemented when it is unsafe to remain on the school campus, and evacuation to an off-site assembly area is required. This ACTION provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated area of safety. **OFF-SITE EVACUATION** is considered appropriate for, but is not limited to, the following types of emergencies:

- Fire
- Bomb threat
- Chemical accident
- Explosion or threat of explosion
- Post earthquake

OFF-SITE EVACUATION may require **DIRECTED TRANSPORTATION**.

See also **EVACUATION** and **REVERSE EVACUATION**, implemented when it is unsafe to remain outside.

ANNOUNCEMENT:

1. Fire alarm (bell or horn signal).
2. Make an announcement over the public address system:

Example: "Attention please. We need to institute an **OFF-SITE EVACUATION** Teachers are to take their students to the designated offsite assembly area. Students are to remain with their teacher."

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Determine the safest method for evacuating the campus. This may include the use of school buses or simply walking to the designated off-site location.
- ☐ Call 911. Provide school name and location of off-site evacuation, reason for evacuation, number of staff and students being evacuated.
- ☐ When clearance is received from appropriate agencies, give the **ALL CLEAR** instruction and authorize students and staff to return to the classrooms.
- ☐ Send home with students for their parents/guardians a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- ☐ Take attendance before leaving campus. Instruct students to evacuate the building, following designated routes, and assemble in their assigned offsite Assembly Area. Bring along the emergency classroom backpack.
- ☐ If walking to a nearby site, keep students lined up in an orderly fashion and walk away from the danger. The procession should follow the safest route to the evacuation site.
- ☐ Take the student roster when leaving the building. Take attendance when the class is reassembled in a safe offsite location. Report attendance to Principal/designee.
- ☐ Remain in place until further instructions are given.

Emergency Action – Reverse Evacuation

REVERSE EVACUATION is implemented when it is unsafe to remain outside the campus and staff and students must immediately return indoors. This ACTION is considered appropriate for, but is not limited to, the following types of emergencies:

- Chemical accident
- Flood
- Explosion
- Rabid animal on campus

See also **EVACUATION** and **OFF-SITE EVACUATION**, when it is unsafe to remain on campus.

ANNOUNCEMENT:

1. Make an announcement over the public address system or in person directly:

<u>Example:</u>	"Attention please. We need to institute a REVERSE EVACUATION. Staff and students should move inside as quickly and orderly as possible. Students are to return to their [current or previous] classroom."
-----------------	---

PRINCIPAL/SITE ADMINISTRATOR:

- ☐ Determine a safe inside location on the school campus for parents, visitors and contractors on campus when the emergency occurs.
- ☐ When clearance is determined or received from appropriate agencies that it is safe to be outdoors, announce **ALL CLEAR** to resume school activities.

STAFF ACTIONS:

- ☐ Instruct students to return to the building and their current classroom or the previous one they attended. Remind them to enter the building in an orderly and quiet manner.
- ☐ Take attendance when the class is reassembled in the classroom. Report attendance to the Incident Commander/designee.
- ☐ Remain in the classroom until further instructions are given.
- ☐ Wait for another ACTION or the **ALL CLEAR** instruction to return to school buildings and normal class routine.

Emergency Action – Student Release

Certain situations may involve releasing students from school or relocating them at a time when parents expect their children to be at the school site. Student release will be implemented by a school administrator in times of extreme emergency that warrant its execution. Whenever possible, it is preferred that students remain at school during the academic day.

FOUR STEPS FOR STAFF

1. At REQUEST TABLE, verify parent ID and authorization.
2. Direct parent to RELEASE TABLE; radio or send runner for student.
3. At RELEASE TABLE, verify Student Request Form is signed

EMERGENCY RESPONSES

Aircraft Crash

Emergency response will depend on the size of the aircraft, nature of the crash, and proximity to the school. If it is safe to remain inside the building, all students should be kept in the school under supervision. The crash may also result in an explosion, chemical spill or utility interruption.

Aircraft crashes into the school

ADDITIONAL STEPS FOR THE SCHOOL:

Air Pollution Alert

Severe air pollution may affect students and staff who are susceptible to respiratory problems.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Develop and maintain a file of students and staff who have or are susceptible to respiratory problems. The file should contain data on the location of such persons at different times during the day.
- ☐ Meet with physical education teachers and other teachers directing strenuous activity programs and determine alternate programs available during an air pollution episode.
- ☐ When notified by the district office or news media of a smog advisory, inform all staff to stay indoors and minimize physical activity.

 - ☐ Notify the principal if there are any injuries.

ADDITIONAL STEPS FOR THE SCHOOL:

Biological or Chemical Release

This is an incident involving the discharge of a biological substance in a solid, liquid or gaseous state. Such incidents may include the release of radioactive materials. A biological agent can be introduced through:

- postal mail, via a contaminated letter or package
- a building's ventilation system
- a small explosive device to help it become airborne
- a contaminated item such as a backpack, book bag, or other parcel left unattended
- the food supply
- aerosol release (for example, with a crop duster or spray equipment)

Defense against biological release (e.g. anthrax, smallpox, plague, ricin etc.) is difficult because usually appear after some time has lapsed. Indicators that may suggest the release of a biological or chemical substance include multiple victims suffering from: watery eyes, choking or breathing difficulty, twitching or the loss of coordination. Another indicator is the presence of distressed animals or dead birds. Determine which scenario applies and implement the appropriate response procedures.

Outside the building

STAFF ACTIONS:

- ☐ Notify principal.
- ☐ Move students away from immediate vicinity of danger (if outside, implement **REVERSE EVACUATION**).
- ☐ Segregate individuals who have been topically contaminated by a liquid from unaffected individuals. Send affected individuals to a designated area medical attention.
- ☐ Follow standard student assembly, accounting and reporting procedures.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Initiate **SHELTER IN PLACE**.
- ☐ Shut off HVAC units.
- ☐ Move to central location where windows and doors can be sealed with duct tape.
- ☐ Call 911. Provide location and nature of the emergency and school actions taken.
- ☐ Notify District Superintendent of the situation.
- ☐ Turn on a battery-powered commercial radio and listen for instructions.
- ☐ Complete the Biological and Chemical Release Response Checklist
- ☐ Remain inside the building until the Department of Health or Fire Department determines it is safe to leave.
- ☐ Arrange for psychological counseling for students and staff.

Inside the building

STAFF ACTIONS:

- ☐ Notify principal or site administrator.
- ☐ Segregate individuals who have been topically contaminated by a liquid from unaffected individuals.

- ☐ Follow standard student assembly, accounting and reporting procedures.
- ☐ Prepare a list of those who are in the affected area to provide to emergency response personnel.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Initiate **EVACUATION** of building or **OFF-SITE EVACUATION** to move students away from immediate vicinity of danger.

- ☐ Wait for instructions from emergency responders-- Health or Fire Department.
- ☐ Notify District Superintendent of the situation.
- ☐ Arrange for immediate psychological counseling for students and staff.
- ☐ Complete the Biological and Chemical Release Response Checklist
- ☐ Wait to return to the building until it has been declared safe by local HazMat or appropriate agency.

☐ **THOSE WHO HAVE DIRECT CONTACT WITH BIOLOGICAL AGENT:**

- ☐ Wash affected areas with soap and water.
- ☐ Immediately remove and contain contaminated clothing
- ☐ Do not use bleach on potentially exposed skins.
- ☐ Remain in safe, but separate area, isolated from those who are unaffected, until emergency response personnel arrive.

ADDITIONAL STEPS FOR THE SCHOOL:

Bomb Threat/ Threat of Violence

In the event that the school receives a bomb threat by telephone, follow the Bomb Threat Checklist on the next page to document information about the threat. Keep the caller on the telephone as long as possible and listen carefully to all information the caller provides. ADDITIONAL STEPS FOR THE SCHOOL:

Dirty Bomb

A dirty bomb is a mix of explosives, such as dynamite with radioactive power or pellets, set off to scatter dust and smoke in order to produce radioactive contamination. The main danger from a dirty bomb is from the explosion, which can cause serious injuries and property damage. While the radioactive materials used in a dirty bomb are probably insufficient to create immediate serious illness, they can be dangerous to health if inhaled. Low levels of radiation exposure do not cause noticeable symptoms. Higher levels of radiation exposure may produce nausea, vomiting, diarrhea and swelling and redness of the skin.

Outside, close to the incident.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ DO NOT MIX POPULATIONS. For those outside at the time of the explosion, initiate **REVERSE EVACUATION** to a separate building or location. Isolate them from those already inside. Do not risk contamination of those inside at the time of the explosion.
- ☐ Call 911. Provide location and nature of the emergency and school actions taken.
- ☐ Set up decontamination station where students and staff may shower or wash with soap and water.
- ☐ Prepare a list of those who are in the affected area to provide to emergency response personnel.
- ☐ Turn on a battery-powered commercial radio and listen for instructions.
- ☐ Notify District Superintendent of the situation.
- ☐ Arrange for medical attention for those injured by the explosion.
- ☐ Arrange for psychological counseling for students and staff.

STAFF ACTIONS:

- ☐ Cover nose and mouth with a cloth to reduce the risk of breathing in radioactive dust or smoke.
- ☐ Move students quickly to the closest suitable shelter to shield them from radiation. Keep them isolated from individuals inside at the time of the explosion. Do not risk contamination of those who were not outside.
- ☐ Avoid touching any objects thrown off by the explosion—they might be radioactive.
- ☐ Follow standard student assembly, accounting and reporting procedures.
- ☐ Immediately remove outer layer of clothing and mouth cover and seal in a plastic bag, if available. Removing outer clothes may get rid of up to 90% of radioactive dust. Put plastic bag away from the population where others will not touch it until authorities provide further instructions.
- ☐ Supervise decontamination station where students and staff may shower or wash with soap and water. Do not come into contact with water runoff.
- ☐ Do not return outside after decontamination. Remain in safe area, isolated from those who are unaffected, until emergency response personnel arrive.

Inside, close to the incident

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ DO NOT MIX POPULATIONS. For those inside at the time of the explosion, initiate **SHELTER IN PLACE** procedures. Turn off HVAC system.
- ☐ Move to central location where windows and doors can be sealed with duct tape.
- ☐ Call 911. Provide location and nature of the emergency and school actions taken.
- ☐ Turn on a battery-powered commercial radio and listen for instructions.
- ☐ Notify District Superintendent of the situation.
- ☐ Remain inside the building until the Department of Health or Fire Department determines it is safe to leave.
- ☐ Arrange for psychological counseling for students and staff.

STAFF ACTIONS:

- ☐ Keep students calm. Instruct students to **DUCK and COVER**.
- ☐ Turn off fans and air conditioning systems. Seal windows and air vents with duct tape. Close all curtains and blinds.
- ☐ Do not consume water or unpackaged food that was out in the open. Wash the outside of any container before opening it.

Earthquake

Earthquakes strike without warning. Fire alarms or sprinkler systems may be activated by the shaking. The effect of an earthquake from one building to another will vary. Elevators and stairways will need to be inspected for damage before they can be used. The major shock is usually followed by numerous aftershocks, which may last for weeks.

The major threat of injury during an earthquake is from falling objects, glass shards and debris. Many injuries are sustained while entering or leaving buildings. Therefore, it is important to quickly move away from windows, free-standing partitions and shelves and take the best available cover under a sturdy desk or table, in a doorway or against an inside wall. All other actions must wait until the shaking stops. If persons are protected from falling objects, the rolling motion of the earth may be frightening but not necessarily dangerous.

Inside Building

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Direct inspection and assessment of school buildings. Report building damage and suspected breaks in utility lines or pipes to fire department responders.
- ☐ Send search and rescue team to look for trapped students and staff.
- ☐ Post guards a safe distance away from building entrances to assure no one re-enters.
- ☐ Notify District Office of school and personnel status. Determine who will inform public information media as appropriate.
- ☐ Do NOT re-enter building until it is determined to be safe by appropriate facilities inspector.
- ☐ Determine whether to close school. If school must be closed, notify staff members, students and parents.

STAFF ACTIONS:

- ☐ Give **DROP, COVER and HOLD ON** command. Instruct students to move away from windows, bookshelves and heavy suspended light fixtures. Get under table or other sturdy furniture with back to windows.
- ☐ Check for injuries, and render First Aid.
- ☐ After shaking stops, **EVACUATE** building. Avoid evacuation routes with heavy architectural ornaments over the entrances. Do not return to the building. Bring attendance roster and emergency backpack.
- ☐ Check attendance at the assembly area. Report any missing students to principal/site administrator.
- ☐ Warn students to avoid touching electrical wires and keep a safe distance from any downed power lines.
- ☐ Stay alert for aftershocks

- ☐ Do NOT re-enter building until it is determined to be safe.

Outside Building

STAFF ACTIONS:

- ☐ Move students away from buildings, trees, overhead wires, and poles. Get under table or other sturdy furniture with back to windows. If not near any furniture, drop to knees, clasp both hands behind neck, bury face in arms, make body as small as possible, close eyes, and cover ears with forearms. If notebooks or jackets are handy, hold over head for added protection. Maintain position until shaking stops.
- ☐ After shaking stops, check for injuries, and render first aid.
- ☐ Check attendance. Report any missing students to principal/site administrator.
- ☐ Stay alert for aftershocks.

- ☐ If school must be closed, notify staff members, students and parents. Arrange for alternative learning arrangement such as portable classrooms if damage is significant and school closing will be of some duration.
- ☐ Notify District Office, who will inform public information media as appropriate.

ADDITIONAL STEPS FOR THE SCHOOL:

Explosion or Risk of Explosion

Emergency response will depend on the type of explosion (smoke bomb, chemical lab incident, etc.) and proximity to the school. All students should be kept away from the explosion and under supervision.

PRINCIPAL/SITE ADMINISTRATOR:

- ☐ Determine whether site evacuation should be implemented. If so, sound fire alarm. This will automatically implement action to **EVACUATE** the building. **EVACUATION** may be warranted in some buildings but others may be used for **SHELTER IN PLACE**.
- ☐ Notify Fire Department (call 911). Provide school name, address, exact location within the building, your name and phone number and nature of the emergency.
- ☐ Secure area to prevent unauthorized access until the Fire Department arrives.

- ☐ Notify utility company of breaks or suspected breaks in utility lines or pipes. Provide school name, address, location within building, your name and phone.
- ☐ Direct a systematic, rapid and thorough approach to search the building and surrounding areas. Check classrooms and work areas, public areas (foyers, offices, bathrooms and stairwells), unlocked closets, exterior areas (shrubbery, trash cans, debris boxes) and power sources (computer rooms, gas valves, electric panels, telephone panels).
- ☐ Determine if Student Release should be implemented. If so, notify staff, students and parents.

- ☐ Render first aid as necessary.
- ☐ Do not return to the building until the emergency response personnel determine it is safe to do so.
- ☐ If explosion occurred in the surrounding area, initiate SHELTER IN PLACE. Keep students at a safe distance from site of the explosion.

Fire (Offsite)

A fire in an adjoining area, such as a wildland fire, can threaten the school building and endanger the students and staff. Response actions are determined by location and size of the fire, its proximity to the school and the likelihood that it may endanger the school community.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Determine if **EVACUATION** of school site is necessary.
- ☐ Contact local fire department (call 911) to determine the correct action for your school site.
- ☐ If necessary, begin evacuation of school site to previously identified safe site using school evacuation plan. If needed, contact bus dispatch for **OFF-SITE EVACUATION** and **DIRECTED TRANSPORTATION** by bus.

- ☐ Do not return to the building until it has been inspected and determined safe by proper authorities.

STAFF ACTIONS:

- ☐ If students are to be evacuated, take attendance to be sure all students are present before leaving the building site.
- ☐ Stay calm. Maintain control of the students a safe distance from the fire and firefighting equipment.

- ☐ Remain with students until the building has been inspected and it has been determined safe to return to.

ADDITIONAL STEPS FOR THE SCHOOL:

Fire (Onsite)

Should any fire endanger the students or staff, it is important to act quickly and decisively to prevent injuries and contain the spread of the fire. All doors leading to the fire should be closed. Do not re-enter the area for belongings. If the area is full of smoke, students and employees should be instructed to crawl along the floor, close to walls, which will make breathing easier and provide direction. Before opening any door, place a hand an inch from the door near the top to see if it is hot. Be prepared to close the door quickly at the first sign of fire. All fires, regardless of their size, which are extinguished by school personnel, require a call to the Fire Department to indicate that the "fire is out".

- ☐ Maintain supervision of students until the Fire Department determines it is safe to return to the school building.

Near the School

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Notify the Fire Department (call 911). The Fire Marshall will direct operations once on site.
- ☐ Determine the need to implement an **EVACUATION**. If the fire threatens the school, execute the actions above. If not, continue with school routine.

Flooding

Flooding could threaten the safety of students and staff whenever storm water or other sources of water threaten to inundate school grounds or buildings. Flooding may occur if a water pipe breaks or prolonged rainfall causes urban streams to rise. Flooding may also occur as a result of damage to water distribution systems such as failure of a dam or levee. If weather-related, an alert message will be broadcast over the weather radio station.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Issue **STAND BY** instruction. Determine if evacuation is required.
- ☐ Notify local police department of intent to **EVACUATE**, the location of the safe evacuation site and the route to be taken to that site.

Storm/Severe Weather

Severe weather can be accompanied by high winds, downed trees, and swollen creeks. An emergency response is required when this type of weather poses any risk to the staff and students. Assure that each student's method of returning home is safe and reliable.

Severe Storm

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Monitor weather forecasts and weather-related communications to determine onset of storm conditions that may affect school operations.

- ☐ Take attendance. Report any missing students to principal/site administrator.
- ☐ Close all blinds and curtains.
- ☐ Avoid auditoriums, gymnasiums and other structures with large roof spans.
- ☐ Remain with students near an inside wall or on lower floors of the building. Make arrangements for special needs, snacks and quiet recreational activities.

ADDITIONAL STEPS FOR THE SCHOOL:

Student Riot

A student riot is an assemblage of students whose purpose and conduct threatens the safety and security of the school community and school property. Students who participate in a riot on campus should be informed that they will be suspended or possibly arrested if they do not comply with instructions. Providing a timely opportunity for students to vent, in a safe and constructive atmosphere, should prevent the escalation of violence.

STUDENT ACTIONS:

- ☐ In a violent situation, immediately notify the first available adult.
- ☐ Do not retaliate or take unnecessary chances.
- ☐ Move away from the area of agitation.
- ☐ Hold on to belongings to the extent that it is safe to do so; do not pick up anything and do not go back for anything until receiving clearance to do so.
- ☐ Stay calm and reassure fellow students.
- ☐ Assist teachers and staff in accounting for students.
- ☐ Share all relevant information with law enforcement, teachers, and school staff.
- ☐ Follow directions from school administrator or law enforcement directions about where to go.
- ☐ Do not speculate to others or perpetuate rumors.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Initiate **LOCKDOWN**, if warranted. Alert other administrators about the incident.
- ☐ Control student ingress and egress from campus.
- ☐ Identify why the disruption is occurring. If necessary, notify police to request assistance.
- ☐ If disruption is non-violent, notify school resource officer or school education officer.

- ☐ Clearly communicate to all students (via announcement or bullhorn), in the presence of staff or adult witnesses, that students should either attend classes or move to a designated safe area. Inform students that they will be suspended or possibly arrested if they do not comply with instructions.
- ☐ Assign staff member to be responsible for media relations and for setting up a staging area for the media.
- ☐ If student disruption persists, after a second warning, take appropriate disciplinary action as outlined by the Student Responsibilities and Rights Handbook.
- ☐ Notify parents about the incident, as appropriate.
- ☐ After insuring physical safety of those involved, provide crisis intervention or counseling to meet psychological needs of students and staff.

ADDITIONAL STEPS FOR THE SCHOOL:

Suicide Attempt

Suicide, attempted suicide, and suicidal gestures have a significant detrimental effect, not only on the involved student, but also on others in the school community. There is no way to predict who will commit suicide, or when, but there are warning signs, including: increasing talk of death, talk about not being worth living and reckless behavior. School staff with reasonable cause to believe that a student is suicidal should begin the intervention process immediately. Parents must always be contacted. Attention should focus on the safety and best interests of the student, whose health, life or safety may be endangered

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Call ambulance in event of overdose or injury requiring medical attention.
- ☐ Call 911 if immediate threat exists to the safety of the student or others.
- ☐ Calm student by talking and reassuring until police arrive. Try to have the student relinquish devices for and means of harming self. If individual is armed with any type of weapon, USE EXTREME CAUTION. Do not attempt to remove the weapon from the possession of the individual. Allow police to do so.
- ☐ Cancel all outside activities.
- ☐ Determine if the student's distress appears to be the result of parent or caretaker abuse, neglect, or exploitation. If not, contact parents/guardians and encourage them to have the child evaluated. Provide a list of referral sources and telephone numbers.
- ☐ If allegations warrant, refer student to Child Protective Services. Contact parents/guardians and inform them of actions taken.
- ☐ Arrange for medical or counseling resources that may provide assistance.

STAFF ACTIONS:

- ☐ Inform the Principal of what was written, drawn, spoken and/or threatened.
- ☐ Move other students away from the immediate area, but remain with the troubled student until assistance arrives.
- ☐ Calmly talk to the student to determine whether he/she has any life-threatening devices (e.g., gun, knife, drugs, etc.) If possible, calmly remove them from the student and the immediate environment. Do NOT struggle if you meet resistance.
- ☐ Calmly move the student to a pre-arranged, non-threatening place away from other students where a Crisis Intervention Team member and a telephone will be close by.

ADDITIONAL STEPS FOR THE SCHOOL:

Suspicious Package

The following list shows some types of parcels that should draw immediate concern:

- Foreign mail, air mail and special delivery
- Restrictive markings, e.g., "Personal"
- Handwritten or poorly-typed addresses
- Titles but no names
- Misspelling of common names
- Excessive weight, unevenly distributed
- No return address
- Excessive postage
- Excessive masking tape, string
- Oily stains or discoloration
- Protruding wires or tin foil
- Rigid envelope

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Call 911.
- ☐ Make a list of all persons who came into contact with the package. Include work and home phone numbers for any necessary follow-up.
- ☐ Prevent others from coming into the area.
- ☐ Ask everyone who has been in contact with the package to remain until instructed to leave by Public Safety or Public Health responders.
- ☐ If powder spills out, shut the ventilation system, heating system, or air
- ☐ Public health and safety staff will determine the need for decontamination and initiation of prophylaxis treatment.

- ☐ Do *not* clean up the powder.
- ☐ Put the package on a stable surface.
- ☐ Leave the room promptly and prevent anyone from entering.
- ☐ Wash hands thoroughly with soap and water.
- ☐ Notify principal or Site Administrator.

ADDITIONAL STEPS FOR THE SCHOOL:

Terrorist Attack/War

Thorough crisis planning will carry the school and district a long way in responding to a terrorist incident during school hours. A terrorist attack may result in the following:

- Damage beyond school boundaries;
- Victims who are contaminated or seriously injured;
- Widespread fear and panic;
- A crime scene to protect.

Civil Defense Warning of Possible Enemy Attack

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Move students to closest suitable shelter.
- ☐ If the above is not advisable, remain in school building as place of shelter.

STAFF ACTIONS:

- ☐ Keep students calm.
- ☐ Close all curtains and blinds.

Enemy Attack Without Warning**STAFF ACTIONS:**

During school hours**PRINCIPAL/SITE ADMINISTRATOR ACTIONS:**

- ☐ Listen to radio and TV for current information and instructions.
- ☐ Initiate **ACTION** appropriate for the situation. Action may likely involve **DUCK, COVER and HOLD, EVACUATION, SHELTER IN PLACE or TAKE COVER.**
- ☐ Continue to monitor media for specific situation.
- ☐ Be alert and immediately report suspicious activity to proper authorities.
- ☐ If circumstances and time allow, move students to closest suitable shelter.
 - Location:
 - Procedure for movement to shelter:
- ☐ If moving students is not advisable, remain in building as place of shelter.
- ☐ Close school if recommended to do so by appropriate authorities.

OFFICE STAFF ACTIONS:

- ☐ Require identification check for anyone entering school other than students, staff and faculty.
- ☐ Escort visitors to location in school building.

ADDITIONAL STEPS FOR THE SCHOOL:

Threat/Assaults

Threats occur when a belligerent or armed person on the school site bullies, intimidates or coerces others, targeting an individual, particular group or the entire school community. Threats are presented as overt hostility. They may be received by written note, email communication, phone call or orally. The procedure below applies to an oral threat.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Assess the type of threat to determine the level of risk to the safety of students and staff. In categorizing the risk, attempt to determine:
 - 1) Is the individual moving towards violent action?
 - 2) Is there evidence to suggest movement from thought to action?

- High violence potential qualifies for arrest or hospitalization.
 - Safety is endangered when there is: (a) sufficient evidence of repetitive/ intentional infliction of emotional distress upon others; or (b) sufficient evidence of the unintentional infliction of emotional distress upon others.
- ☐ Notify police (dial 911), if the safety of students or staff is endangered. Provide exact location and nature of incident and school response actions.
 - ☐ Isolate the threatening person from other students and staff, if it is safe to do so. Initiate appropriate response actions, which may be **LOCKDOWN** or **EVACUATION**. Cancel all outside activities.
 - ☐ Respond to students who are prone to overt displays of anger in a calm, non-confrontational manner. If an immediate threat is not clearly evident, attempt to diffuse the situation.
 - ☐ If an individual is armed with any type of weapon, **USE EXTREME CAUTION**. Do not attempt to remove the weapon from the possession of the individual. Allow police to do so.
 - ☐ Facilitate a meeting with student(s) and family to review expectations.
 - ☐ Facilitate a staff meeting to review plans for keeping school safe. Enlist the support of community service providers.

STAFF ACTIONS:

- ☐ If any students are outside, move them inside the building or away from the site of the threat/assault. If unable to do so, have students lie down and cover their heads. Keep students calm.
- ☐ Inside the classroom, institute **LOCKDOWN**. Close all curtains and blinds.
- ☐ Disconnect the school television system in classrooms so the individual cannot view news coverage and see locations of police/students/etc.
- ☐ Remain with students until **ALL CLEAR** is given.

ADDITIONAL STEPS FOR THE SCHOOL:

Utility Failure

Failure of any of the utilities (electricity, gas, water) during school hours constitutes a condition that must be dealt with on a situational basis. Advance notice may be received from a utility company regarding loss of service. In many cases, such loss of service will be of short duration and require no special action other than notifying staff of the temporary interruption of service.

PRINCIPAL/SITE ADMINISTRATOR:

- ☐ Notify utility company. Provide the following information:
 - ☐ Affected areas of the school site
 - ☐ Type of problem or outage
 - ☐ Expected duration of the outage, if known
 - ☐ Determine length of time service will be interrupted.
- ☐ Determine desired action, which may include relocation of students and staff, notification of parents, and alternate food service.
- ☐ If disruption in service will severely hamper school operation, notify students and staff by appropriate means.
- ☐ Use messengers with oral or written word as an alternate means of faculty notification.
- ☐ Notify District Office of loss of service.
- ☐ Implement plan to provide services without utilities or with alternate utilities.

Weapon

The brandishing of any weapons poses an immediate threat to students and staff. Response is the same whether the weapon is used, seen or suspected but not in use. Safety must always be the foremost consideration. A person wielding a weapon will usually respond best to calm, reasonable talk. In addition to calming the individual, talking allows time for law enforcement officials and other professionals to arrive.

STAFF ACTIONS:

- ☐ Remain calm. Take immediate action to prevent casualties. Isolate the suspect and/or area. Move others to a safe area to protect them from danger.
- ☐ Alert the principal/site administrator.
- ☐ Make no effort to intervene. Allow a law enforcement officer to take possession of the weapon.
- ☐ Provide first aid for victims, if needed.
- ☐ Account for all students.
- ☐ Assist police officers – provide identity, location and description of individual and weapons.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- ☐ Remain calm. Depending on how the situation unfolds, initiate **LOCKDOWN** or **EVACUATION**, as needed. Do not confront the suspect.
- ☐ Call 911. Provide essential details of the situation, i.e., suspect, location, weapons, number of persons involved, motive, actions taken by the school (e.g. **LOCKDOWN**).
- ☐ Identify command post for police to respond. Assist police to enter the school. Provide officers with critical information. Accompany the police officer to the student suspected of having a weapon.
- ☐ If suspect has left, secure all exterior doors to prevent re-entry.
- ☐ Isolate and separate witnesses. Instruct them to write a statement of events while waiting for police to arrive.
- ☐ Gather information about the incident for the police:
 - ☐ Name of student with weapon.
 - ☐ Location of witness when weapon was seen.
 - ☐ What did the student do with the weapon after it was displayed?
 - ☐ What is the current location of the student with the weapon?
- ☐ Reserve a private area for the student to be taken and questioned. Allow police officer to thoroughly search student with another adult witness present. Police officer should take possession of and secure any weapon located.
- ☐ Assign an administrator to remove all of the suspected student's belongings (book bag, clothing, etc.) from the classroom. Do not allow the student to pick-up or carry his own belongings.
- ☐ Search student's belongings, including--but not limited to --backpack, purse, locker, and auto, if applicable.
- ☐ Notify parents/guardians.

- ☐ Follow procedures for student disciplinary actions. Take photo of weapon to be included in the expulsion proceedings.
- ☐ Secure a detailed written statement from witnesses including staff.
- ☐ Provide post-event trauma counseling for students and staff, as needed.
- ☐ Provide informational updates to staff, students and their families during next few days to squelch rumors.

Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Anaverde Hills Elementary's office.

Safety Plan Vision

Anaverde Hills School is committed to providing a safe, secure, caring, and respectful learning environment where all community stakeholders work together to promote each student's academic, social and emotional growth and success.

Assessment of School Safety

Based on the results of the California Healthy Kids Survey from the 2016-2017 school year, Anaverde Hills students scored very high in feeling safe at school, being treated with respect, and having high expectations. Areas for improvement based on this assessment include creating caring adult relationships, being treated fairly when school rules are broken, and the perceptions that all students are well behaved at school. Based on parent feedback one area for improvement is working to include parents in decision making and creating a welcoming environment for parents. There were no claims of property damage for the 2016-2017 school year.

Anaverde Hills offers students a safe, secure, and positive campus climate. Anaverde Hills takes proactive measures to educate students and parents on the importance of cultivating our students to be positive members of their community committed to creating a better world. Anaverde Hills students participate in a variety of activities to promote a kind, collaborative and accepting school culture. We are proud of our progressive discipline approach to learn from and correct inappropriate behavior. During the 2016-2017 school year suspension rates declined overall and declined significantly for students in the English Learner, Foster Youth, Homeless, Hispanic, Asian, White, and Students with Disabilities subgroups. Increases in suspension rates were seen for students in the Filipino, African American, and Socioeconomically Disadvantaged subgroups. The chronic absenteeism rate for the 2016-2017 school year was 8.8% compared to the district average of 7.5%.

Assessment of School Safety

Cottonwood's greatest area of strength related to comprehensive school safety is providing a positive school-based culture and climate for students to learn in. We have a strong college-career learning focus and many opportunities for students to build connections to school through involvement in AVID, leadership clubs and service-based activities.

During the 2016-2017 year, the school wide attendance rate at the IDEA Academy was 95.9%. our school's chronic absenteeism rate was 7.5%. A focus this year is increasing academic achievement and attendance rates, and decreasing incidents of truancy by strengthening our character education and attendance incentive programs. Our school's first semester attendance rate for 2017-18 is 96.20%. During the first semester, there were 155 A2A letters sent to parents, 38 conferences held with parents to discuss attendance, no referrals to the School Attendance Review Team (SART) or School Attendance Review Board (SARB).

We are also working to decrease suspension/expulsion rates by developing alternatives to suspension that are instructional, reflective, and restorative, and focus on safe and secure spaces for learning and play.

- Our unduplicated pupil suspension rate for 2016-2017 was 3.0%, a reduction from a suspension rate of 6.3% in 2015-2016.
 - Our unduplicated suspension rate for students with disabilities in 2016-17 was 6.4%, down from 9.9% in 15-16.
 - Our African American unduplicated suspension rate for 16-17 was 8.3%, down from 15.1% in 15-16.
 - Our Hispanic unduplicated suspension rate for 16-17 was 1.4%, down from 3.9% in 15-16.
 - Our White unduplicated suspension rate for 16-17 was 4.2%, down from 6.9%.
 - Our unduplicated suspension rate for 2 or more races was 4.0%. The unduplicated suspension rate for all other groups was 0%.
- Our school's percentage of office referrals (unduplicated) for the 1st semester is 16%. Our suspension rate for the first semester is less than 1%.

Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Del Sur Senior Elementary's office.

Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Hillview Middle School's office.

Safety Plan Vision

Hillview Middle School is committed to providing a safe, secure, caring, and respectful learning environment where all community stakeholders work together to promote each student's academic, social, and emotional growth and success.

Components of the Comprehensive School Safety Plan (EC 32281)

Assessment of School Safety

The number of students committing offenses and the number of offenses have generally declined over the past two years. The numbers of referrals, detentions, and suspensions are on a similar track comparing 16-17 to 17-18.

Hillview installed (by the district) an external camera system about two years ago. This system has assisted in both daytime and nighttime observations of the campus and has already resulted in some reduced vandalism, etc. Students tend to report incidents of damage to school property promptly and have taken a positive role in maintaining a positive school culture. Staff, students, and parents work together to create a safe and caring school community. A school wide rules and safety assembly is conducted at least annually so students are well versed in rules, procedures as well as non-negotiables. Hillview's student groups, Safe School Ambassadors, Peer Leaders, Strong Kids, Boy' Town programs, and other groups address character education during advisory classes and in small groups, focusing on positive behavior intervention, anti-bullying, and providing a positive school environment. We also hold at least one anti-bullying assembly annually.

The Westside Union School District has implemented the STOPit! program for anonymous reporting. STOPit! allows school authorities and students to have a two-way dialog that is completely secure and anonymous. Students should use STOPit! before and after school to report any safety-related information, including bullying, vandalism, violence, drugs, weapons or information about crimes that are being planned in the community or in schools. The tipster will use the STOPit! app with the code Hawks2.

Campus climate assistants are available to work with students during, before, and after both lunches. They collaborate daily with our school counselor.

Additional internal security procedures affecting the integrity of the school facility include:

- All exit gates are locked once school has started.
- When directed to close the campus, the staff is trained on lock down and modified lock down procedures. Class doors are to remain locked until further instructions are given.

Community involvement is encouraged to help increase school safety. A school messenger all call is put out by the school or district to inform parents and community about possible safety concerns and issues to how to help. There is also information on the district website.

AVID (Advancement Via Individual Determination) has been implemented school wide. A college-going atmosphere has been implemented with weekly "wear your college shirt" days, WICOR Wednesdays, annual career day, and field trips to visit local colleges.

Hillview has been working with both students and staff to review data and share information about students. With out recent work with the Gold Ribbon School Program and WASC, we have spent a lot of time reviewing data and working on improvement plans. Some of the data related to student safety and school information is noted below:

Senate Bill 187: Comprehensive School Safety Plan Purpose

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at Quartz Hill Elementary's office.

Assessment of School Safety

Quartz Hill has had a minimal amount of crime that has taken place on campus. There have been a couple accounts of theft that have taken place at PTA events such as book fair and Santa store. These incidents of theft were committed by young students, and most of the stolen goods were returned. Quartz Hill is currently working to improve our student attendance rate and reduce our truancy rate. Quartz Hill has recently experienced a decrease in disciplinary incidents and suspensions.

Suspensions and Expulsions:

In the 16/17 school year, Quartz Hill had 32 incidents of suspensions, resulting in 50 school days missed due to suspensions. During the 16/17 school year, one student was recommended for expulsion.

California Healthy Kids Survey:

- School Connectedness 53%(5th) 58%(6th)
- High Expectations 57% (5th) 59% (6th)
- Caring Adult Relationships 58% (5th) 51%(6th)
- Academic Motivation 49% (5th) 42% (6th)

- African American 15.9%
- Hispanic 10.6%
- Two or more races 13.5%

109 attendance conferences were held during the 2016/2017 school year in which parents came into the office to discuss their child's attendance and reviews ways to make improvement and the consequences of poor attendance. 185 attendance letters were sent home to review the attendance policy.

SART:

Six students were put on a SART contract.

SARB:

No students were referred to SARB during the 2016/2017 school year.

Strategies and Programs to Provide and Maintain a High Level of Safety (EC 32281(a)1, items A-J)

- To reduce student discipline Quartz Hill has trained staff members in the Boys Town program and is implementing the Boys Town program in all classroom with all students. With Boys Town, students will be explicitly taught behavioral skills that will instruct them how to behave appropriately while at school and outside of school.
- To improve student attendance, Quartz Hill has implemented a weekly and monthly student incentive program. Students are rewarded for perfect attendance weekly and monthly. Also, administrators meet with parents of students that have poor attendance and have been identified as a truant.
- To assess the frequency of bullying behavior will be assessed by the number of referrals to the school counselor and the number of log entries in Powerschool.
- To assess our school culture we will measure the amount of student participation in our school programs such as PALS, Helping Hands, Dancing Feet, Robotics, and other programs.
- StopIt Anonymous Bullying Reporting App
- Quartz Hill has a Peer Assistance Leaders (PALS) program that helps to develop student leaders on campus.

- Mentors from the Boys and Girls Club provide team building activities twice a week.
- During the year, Quartz Hill also took part in a week long kindness challenge which brought awareness to bullying behavior and the consequences of bullying.

Assessment of School Safety

Rancho Vista is a safe school. Rancho Vista's greatest area of strength related to comprehensive school safety is providing a positive school-based culture and climate for students to learn. We have a strong college-career learning focus through AVID. A focus this year is increasing academic achievement and attendance rates, and decreasing incidents of truancy by strengthening our character education through focused implementation of Boys Town.. We are also working to decrease suspension/expulsion rates by developing alternatives to suspension and focusing on safe and secure spaces for learning and play.

In the first semester of the 2017-2018 year, the principal and vice principal recorded 86 office referrals. Rancho Vista has sent out 113 A2A attendance letters, and has completed or scheduled 18 conferences to discuss attendance. Rancho Vista has had no SART of SARB meetings this year. In 2016-2017, Rancho Vista had no expulsions and eight students who were suspended. There was no property damage noted in the property damage reports.

The results of the California Healthy Kids Survey (CHKS) showed that 57% of 5th graders and 65% of the 6th graders said they felt a school connectedness. Sixty-two percent of the 5th graders and 81% of the 6th graders felt safe at school. Sixty-one percent of 5th graders and 78% of 6th graders felt they were treated with respect. Other areas were included in the survey and data analysis. the full report of all data is available at Rancho Vista and the District Office.

Assessment of School Safety

Sundown Elementary School is a safe campus with a high need to focus on establishing appropriate interventions to reduce student truancy, increase prompt arrival to class, and to reduce incidences of office referrals initiated during structured activities. Sundown facilities provide a safe and secure learning and working environment. The Sundown staff supports individual student and family social service needs. There is a need to establish strategies for promoting the social and emotional health of students by empowering them with self-awareness skills for inter and intra personal communication.

The staff of Sundown Elementary explored a variety of data in order to assess the safety and well-being of the students. During the 2016-2017 school year, there were 355 office referrals initiated by teachers. Office referrals were calculated based on administrative discipline due to major problem behaviors and repeated chronic minor behaviors. Those office referrals resulted in 28 suspensions and 0 expulsions. The highest suspension incident was for causing harm to another individual. For attendance, there were 718 A2A letters sent to parents, 71 conferences were held with parents to discuss attendance, there were 0 referrals to SART, and 0 referrals to SARB. For property damage, there were 0 incidents throughout the year.

During the first semester of the 2017-2018 school year, there were 67 office referrals initiated by teachers. Office referrals were calculated based on administrative discipline due to major problem behaviors and repeated chronic minor behaviors. Those office referrals resulted in 3 suspensions and 0 expulsions. For attendance, there were 207 A2A letters sent to parents, 23 conferences were held with parents to discuss attendance, 0 referrals to SART, and 0 referrals to SARB. For property damage, there has been 1 incident (school break-in) in which local law enforcement was involved.

The California Healthy Kids Survey (CHKS) from the 2016-2017 school year surveyed students in the 5th and 6th grades. Of the students surveyed, 73% of 5th graders and 56% of 6th graders selected a high rate of school engagement. Additionally, 85% of 5th graders and 74% of 6th graders rated that they feel safe at school "Most" or "All" of the time. Finally, 61% of 5th graders and 44% of 6th graders rated that students are well-behaved at school "Most" or "All" of the time, and 88% of 5th graders and 74% of 6th graders rated that students are treated with respect at school "Most" or "All" of the time. Other areas were included in the survey and data analysis. The full report of all data is available at Sundown Elementary School and the District Office.
